

Can we always
get on?

Yes!

- ...but we don't!

Think!
When have you fallen
out?
How did you sort it
out?

Perspective and Interpretation

- Perspective - a particular attitude towards or way of regarding something; a point of view
- Interpretation - an explanation or way of explaining - "this action is open to a number of interpretations"
- We all see things differently
- Right and wrong depends on where you stand

Any ideas about these?

World Religion Day

- What are religions?
- Religion is a cultural system of behaviours and practices, world views, ethics, and social organisation that relate humanity to an order of existence.
- A group of people with the same values and beliefs

Sometimes they look
different too

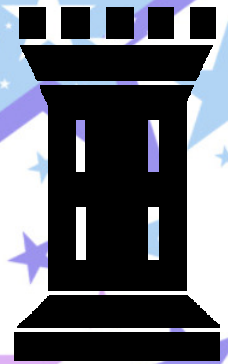

The same but different

- Just like us all, they are all unique
- There are similar underlying principles and values - like ours
- What are ours?

Honest
Care
Aspire
Expect
Respect

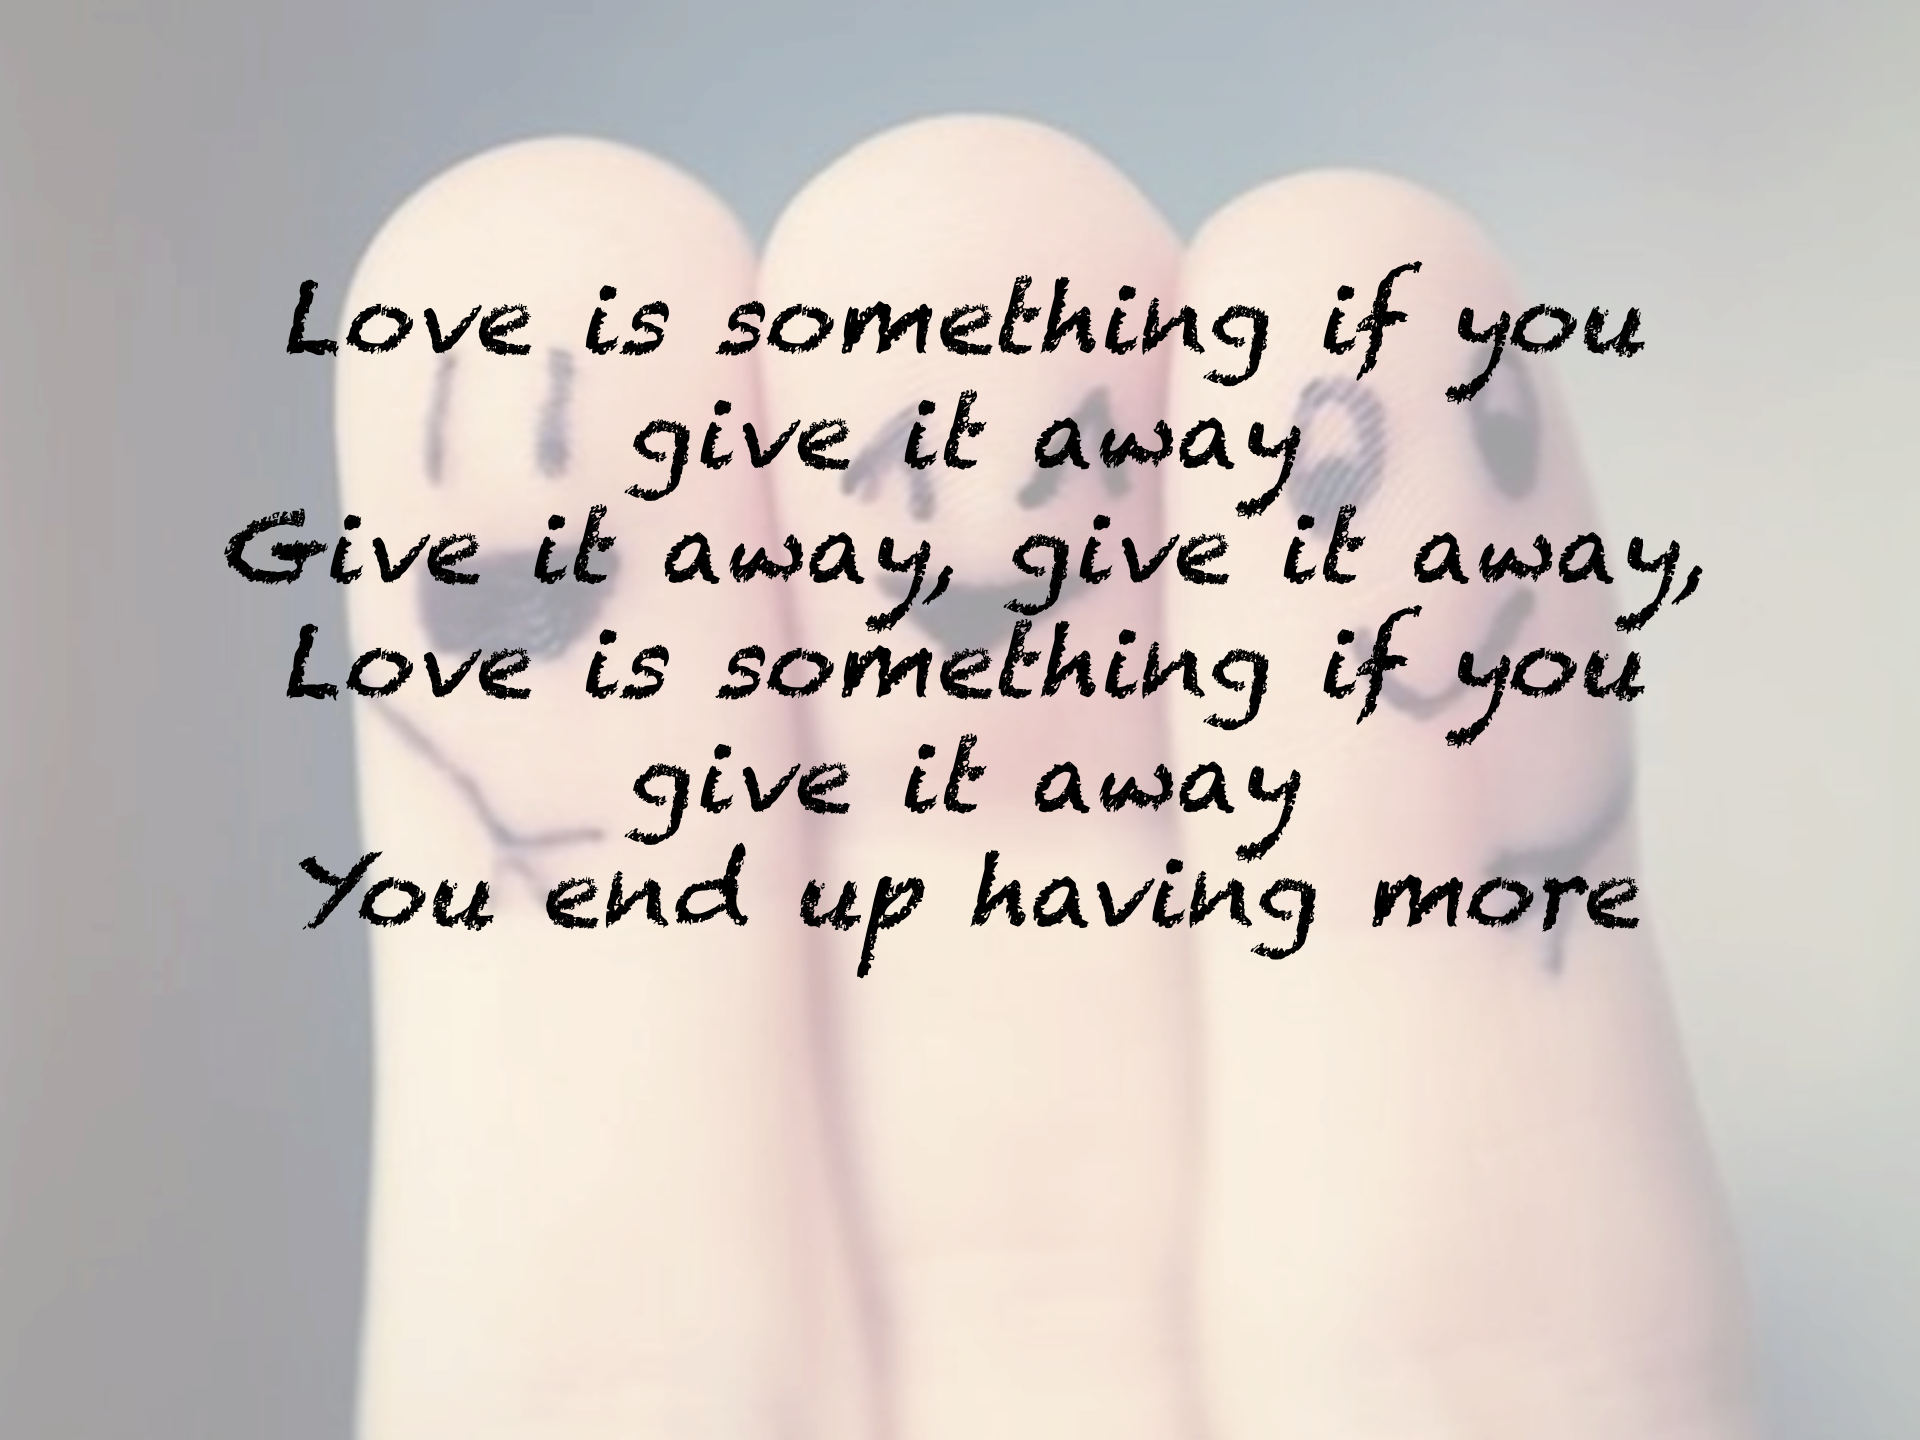

Are you
REACHing
for the
stars?

Respect Difference

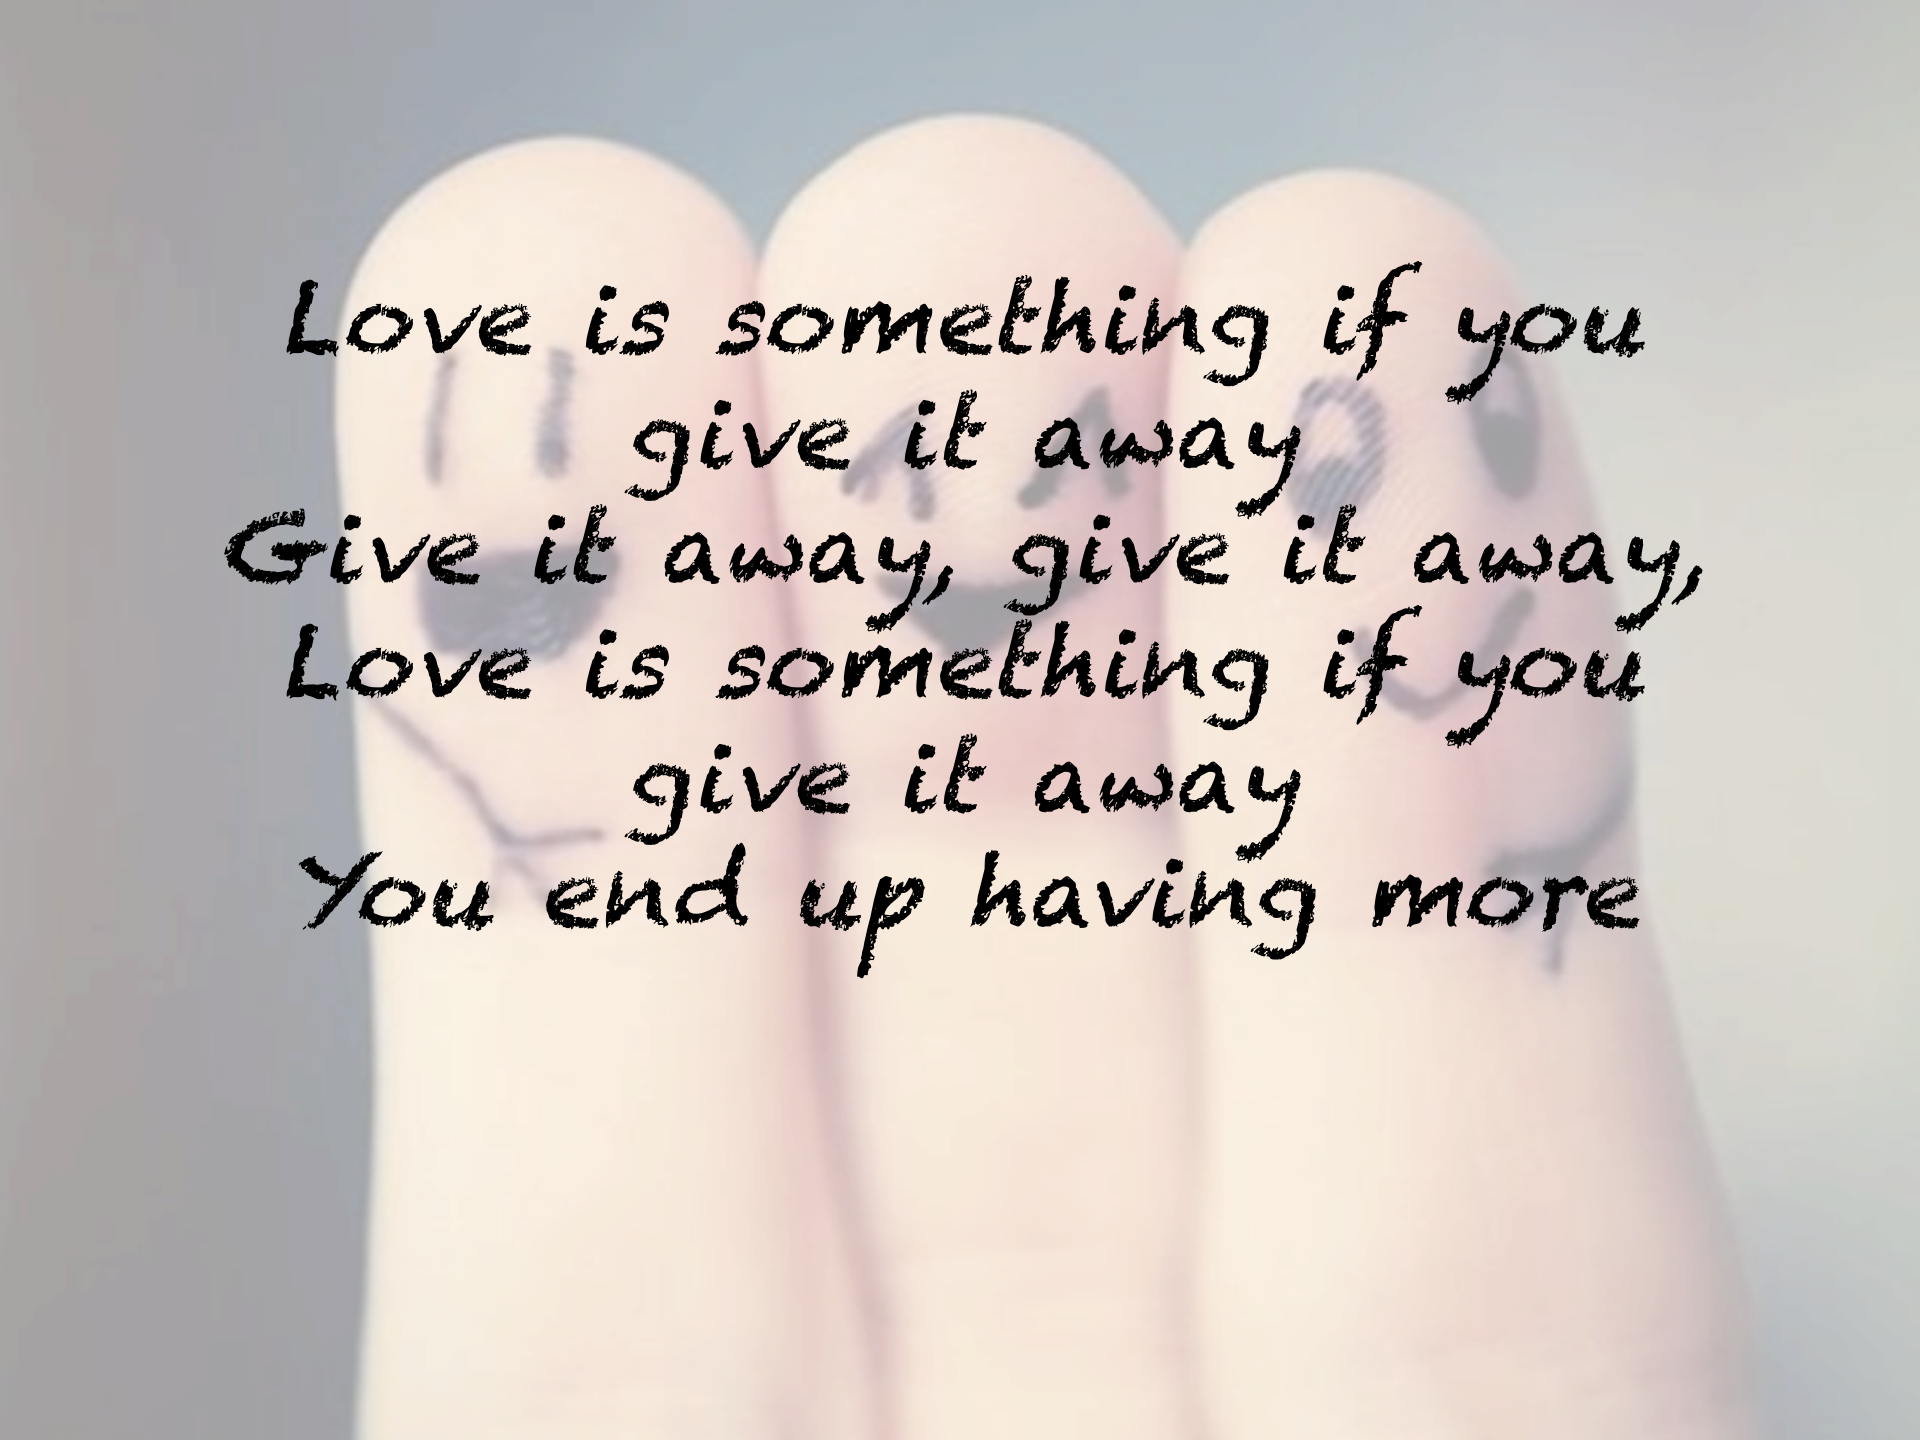

- We all have a similar aim
- To make the world a better place
- Sometimes you have to give things away (compromise) to respect others
- But, respect difference

A background image showing three hands, one from each side, holding a large heart shape in the center. The hands are light-skinned and the heart is a soft pink color. The overall image has a soft, ethereal feel with a light blue and white gradient background.

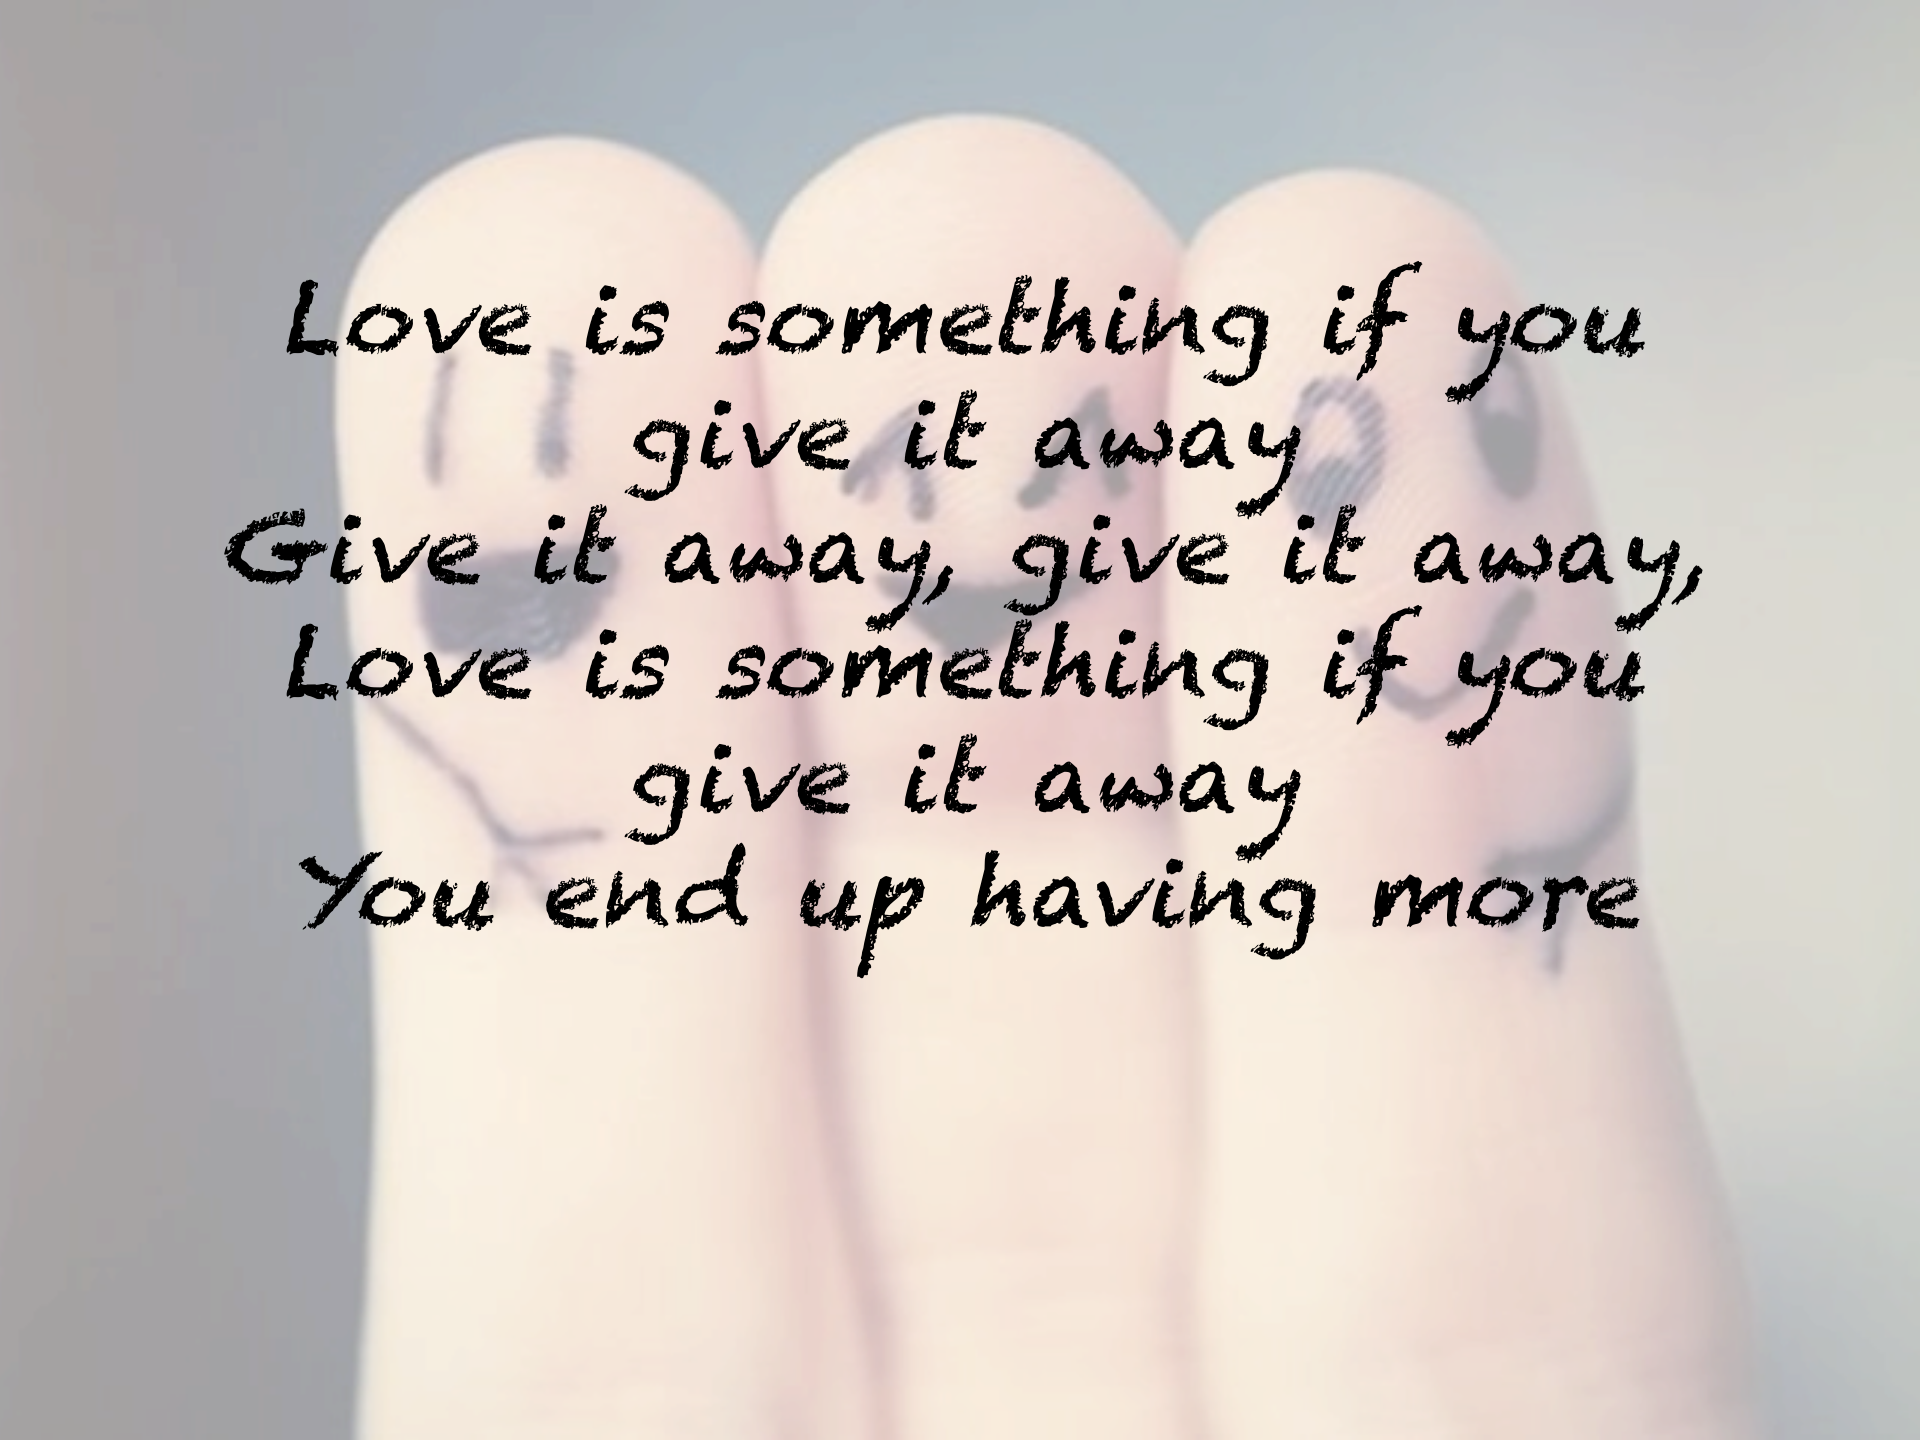

Love is something if you
give it away
Give it away, give it away,
Love is something if you
give it away
You end up having more

It's just like a magic penny
Hold it tight and you won't
have any
Lend it, spend it and you'll
have so many
They'll roll all over the
floor, for....

Love is something if you
give it away
Give it away, give it away,
Love is something if you
give it away
You end up having more

So let's go dancing till the
break of day
And if there's a piper we
can play
For love is something if you
give it away
You end up having more

Three fingers are shown, each with a simple smiley face drawn on it. The faces are drawn with black ink. The first finger has two vertical lines for eyes and a wide, open-mouthed smile. The second finger has two slanted lines for eyes and a simple curved line for a smile. The third finger has two circular eyes and a simple curved line for a smile. The background is a solid blue color.

Let's do our bit!

- Don't listen to people who tell you to be unkind because of difference
- Respect difference
- It sometimes means compromise
