

"Do the little
things in life"

Pocket Money

- Who gets pocket money?
- What do you spend it on?
- Can you afford to buy everything you want or do you have to save?

Dig deep!

- Who has some small change?
- The pennies soon add up!

Little things adding up

- I don't miss the money
- I don't pick up the pennies
- But it all adds up

Look after the pennies...

...and the pounds will look after themselves!

- Look after the little things
- We have big targets
- Success comes from little steps

St David

- Patron saint of Wales
- "Do the little things in life"
- It all adds up...everything in life
- This counts in so many ways

DON'T COUNT
THE DAYS,
MAKE THE
DAYS COUNT

The image features a quote about friendship overlaid on a blurred background of a city street. The quote is written in a black, handwritten-style font on a solid yellow rectangular background. The background shows a street scene with a large circular structure on the left, a person walking in the distance, and a street lamp on the right.

FRIENDSHIP ISN'T A BIG THING —
IT'S A MILLION LITTLE THINGS.

What did St David mean?

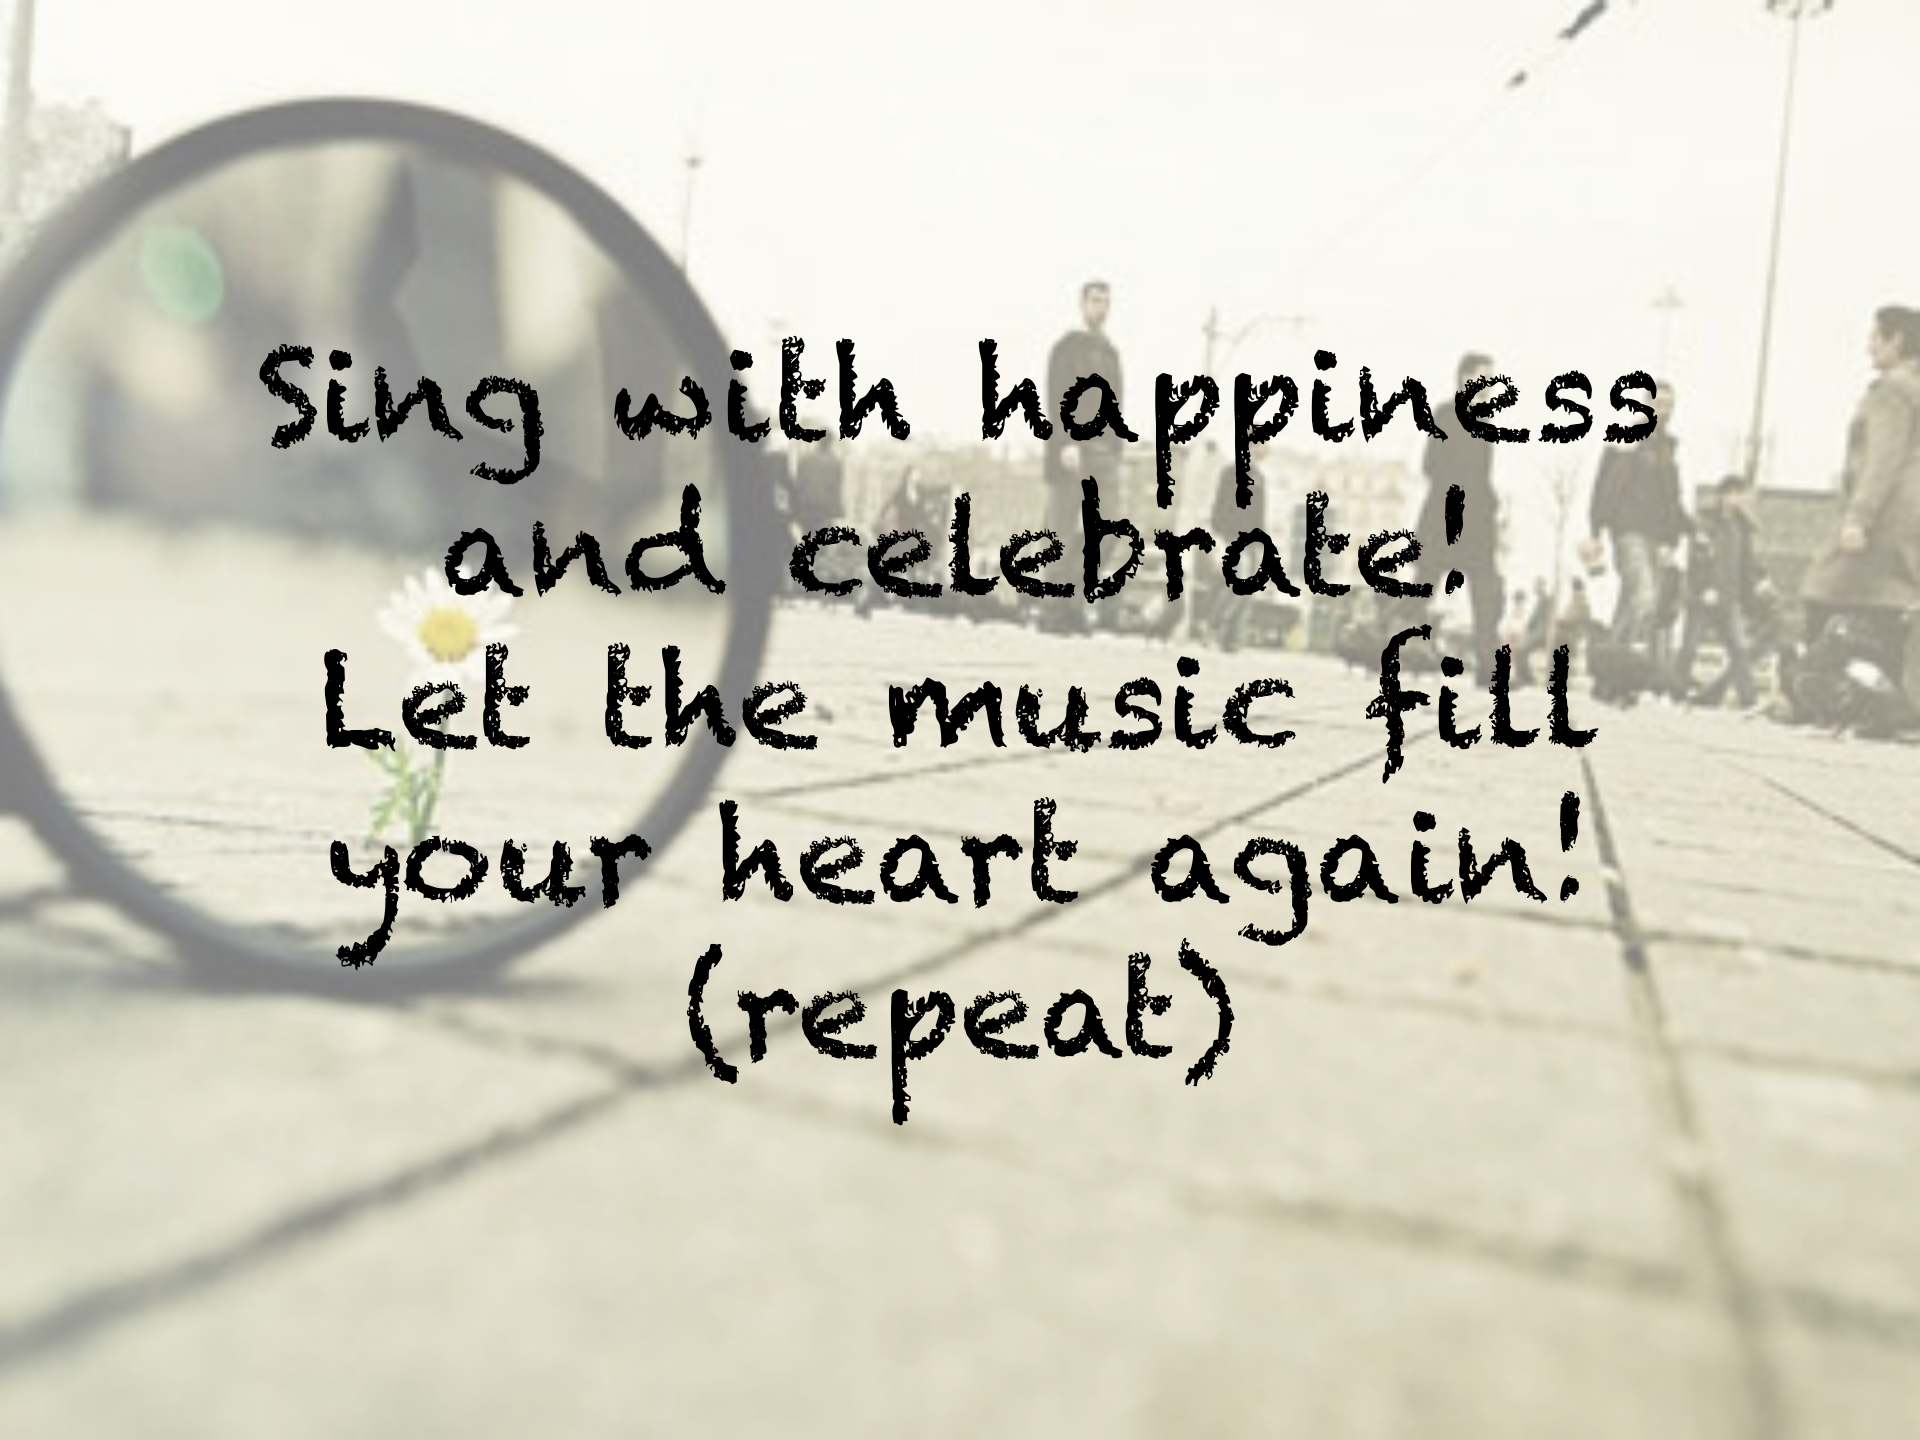

- Show love and care in small, everyday ways
- But our small, loving, kind words or actions mount up and build into something bigger
- ...just like this pile of coins

A daisy flower is in the lower-left foreground. The background is a blurred street scene with several people walking. A large, dark, circular shape is on the left side of the image.

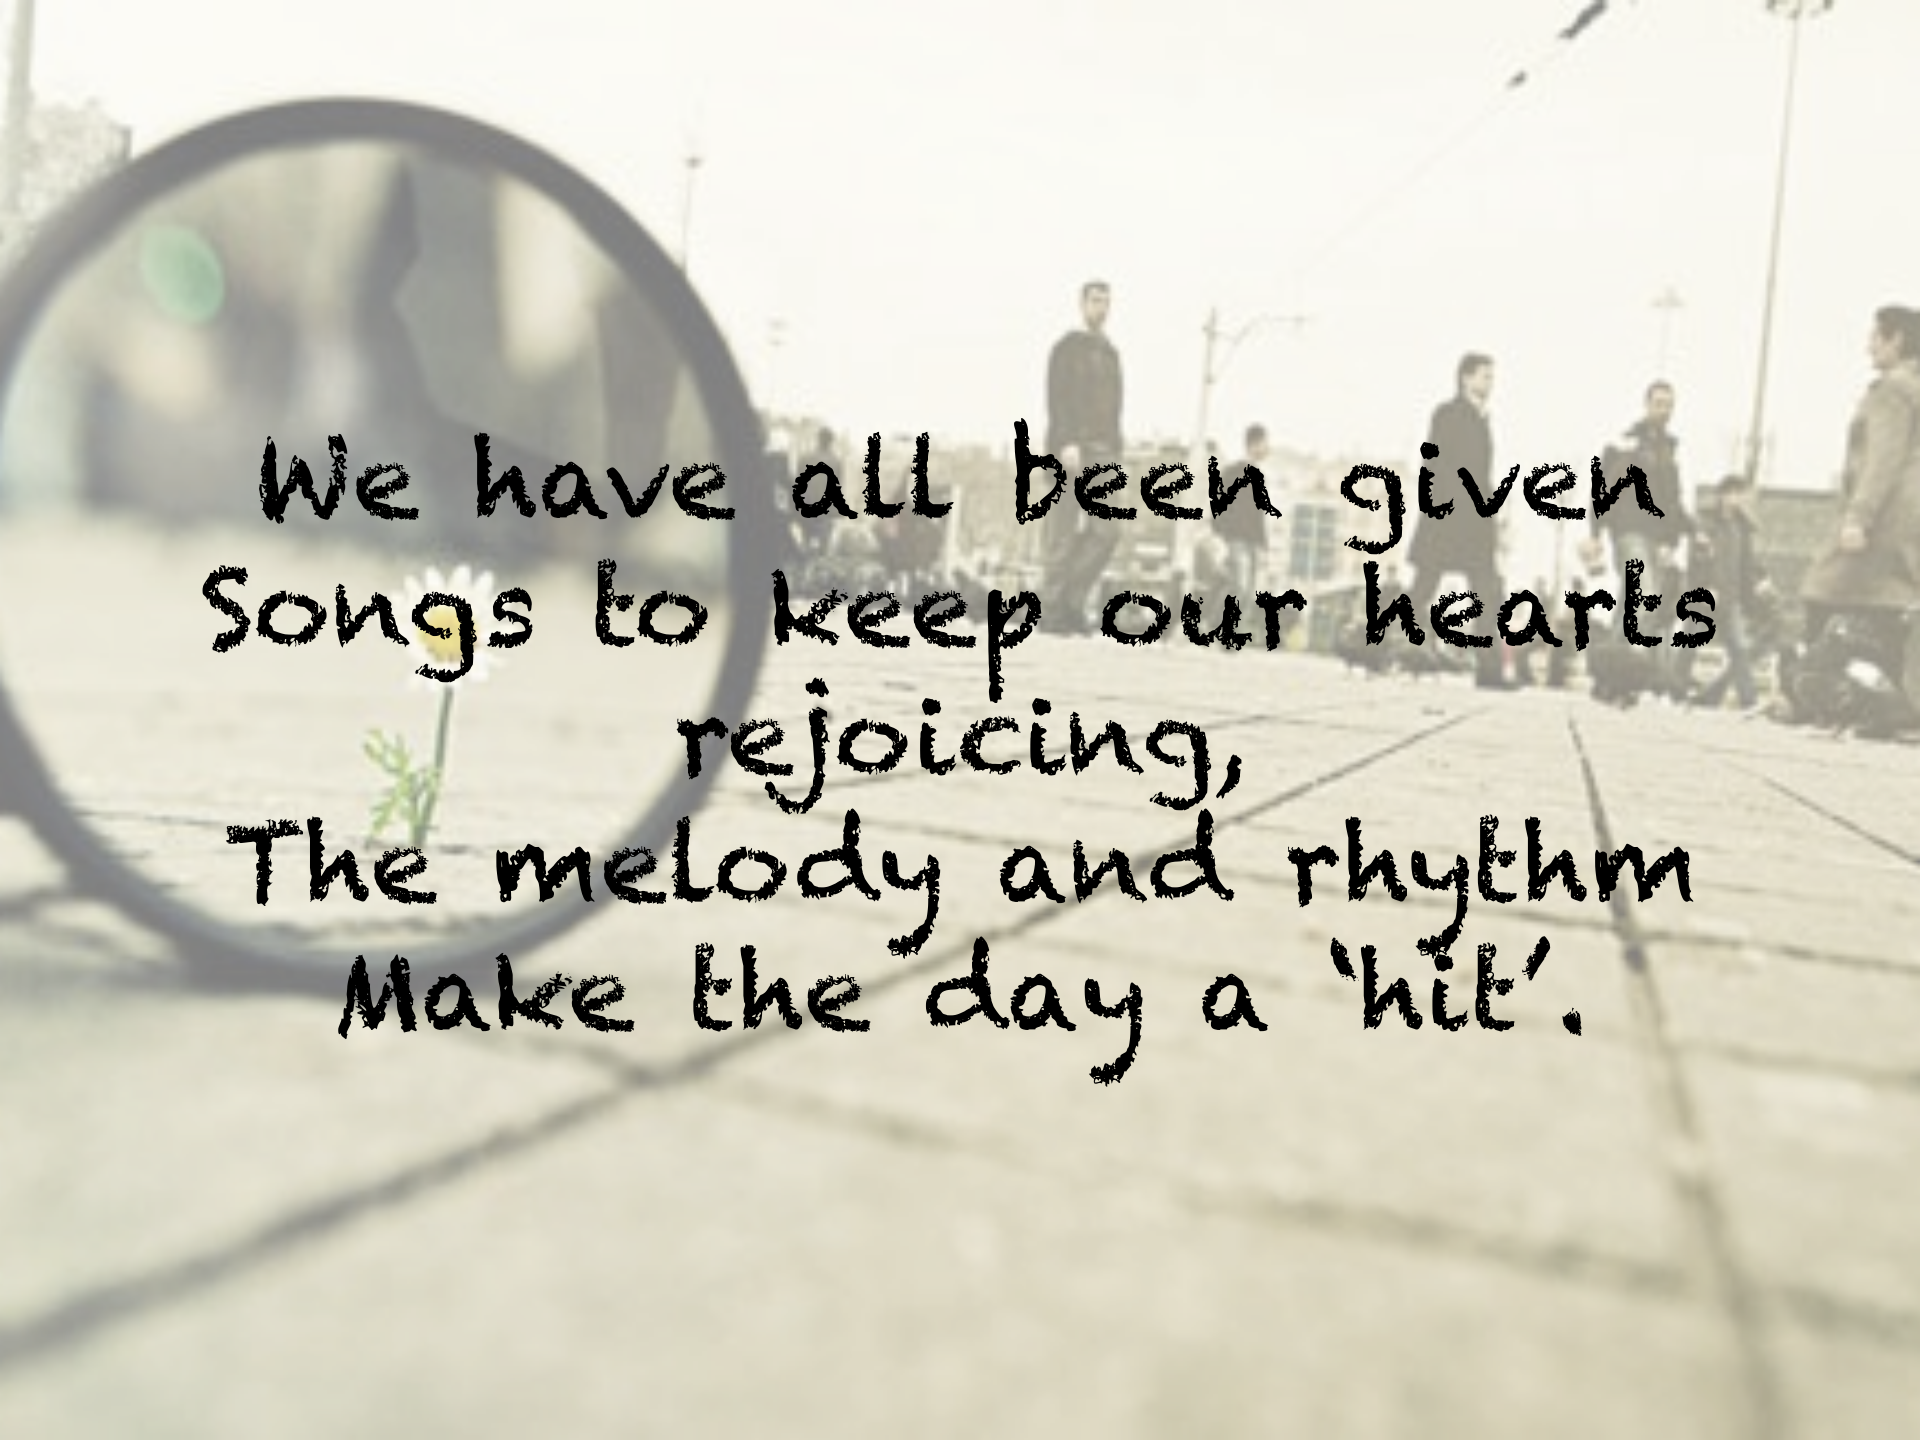

We like joyful music,
Full of fun and
syncopation,
And every time we use it,
Life becomes a song.

A small white daisy flower with a yellow center and green stem is positioned to the left of the text.

We like joyful music,
Full of life and
celebration,
we love the way it moves
us,
When we sing along!

Sing with happiness
and celebrate!
Let the music fill
your heart again!
(repeat)

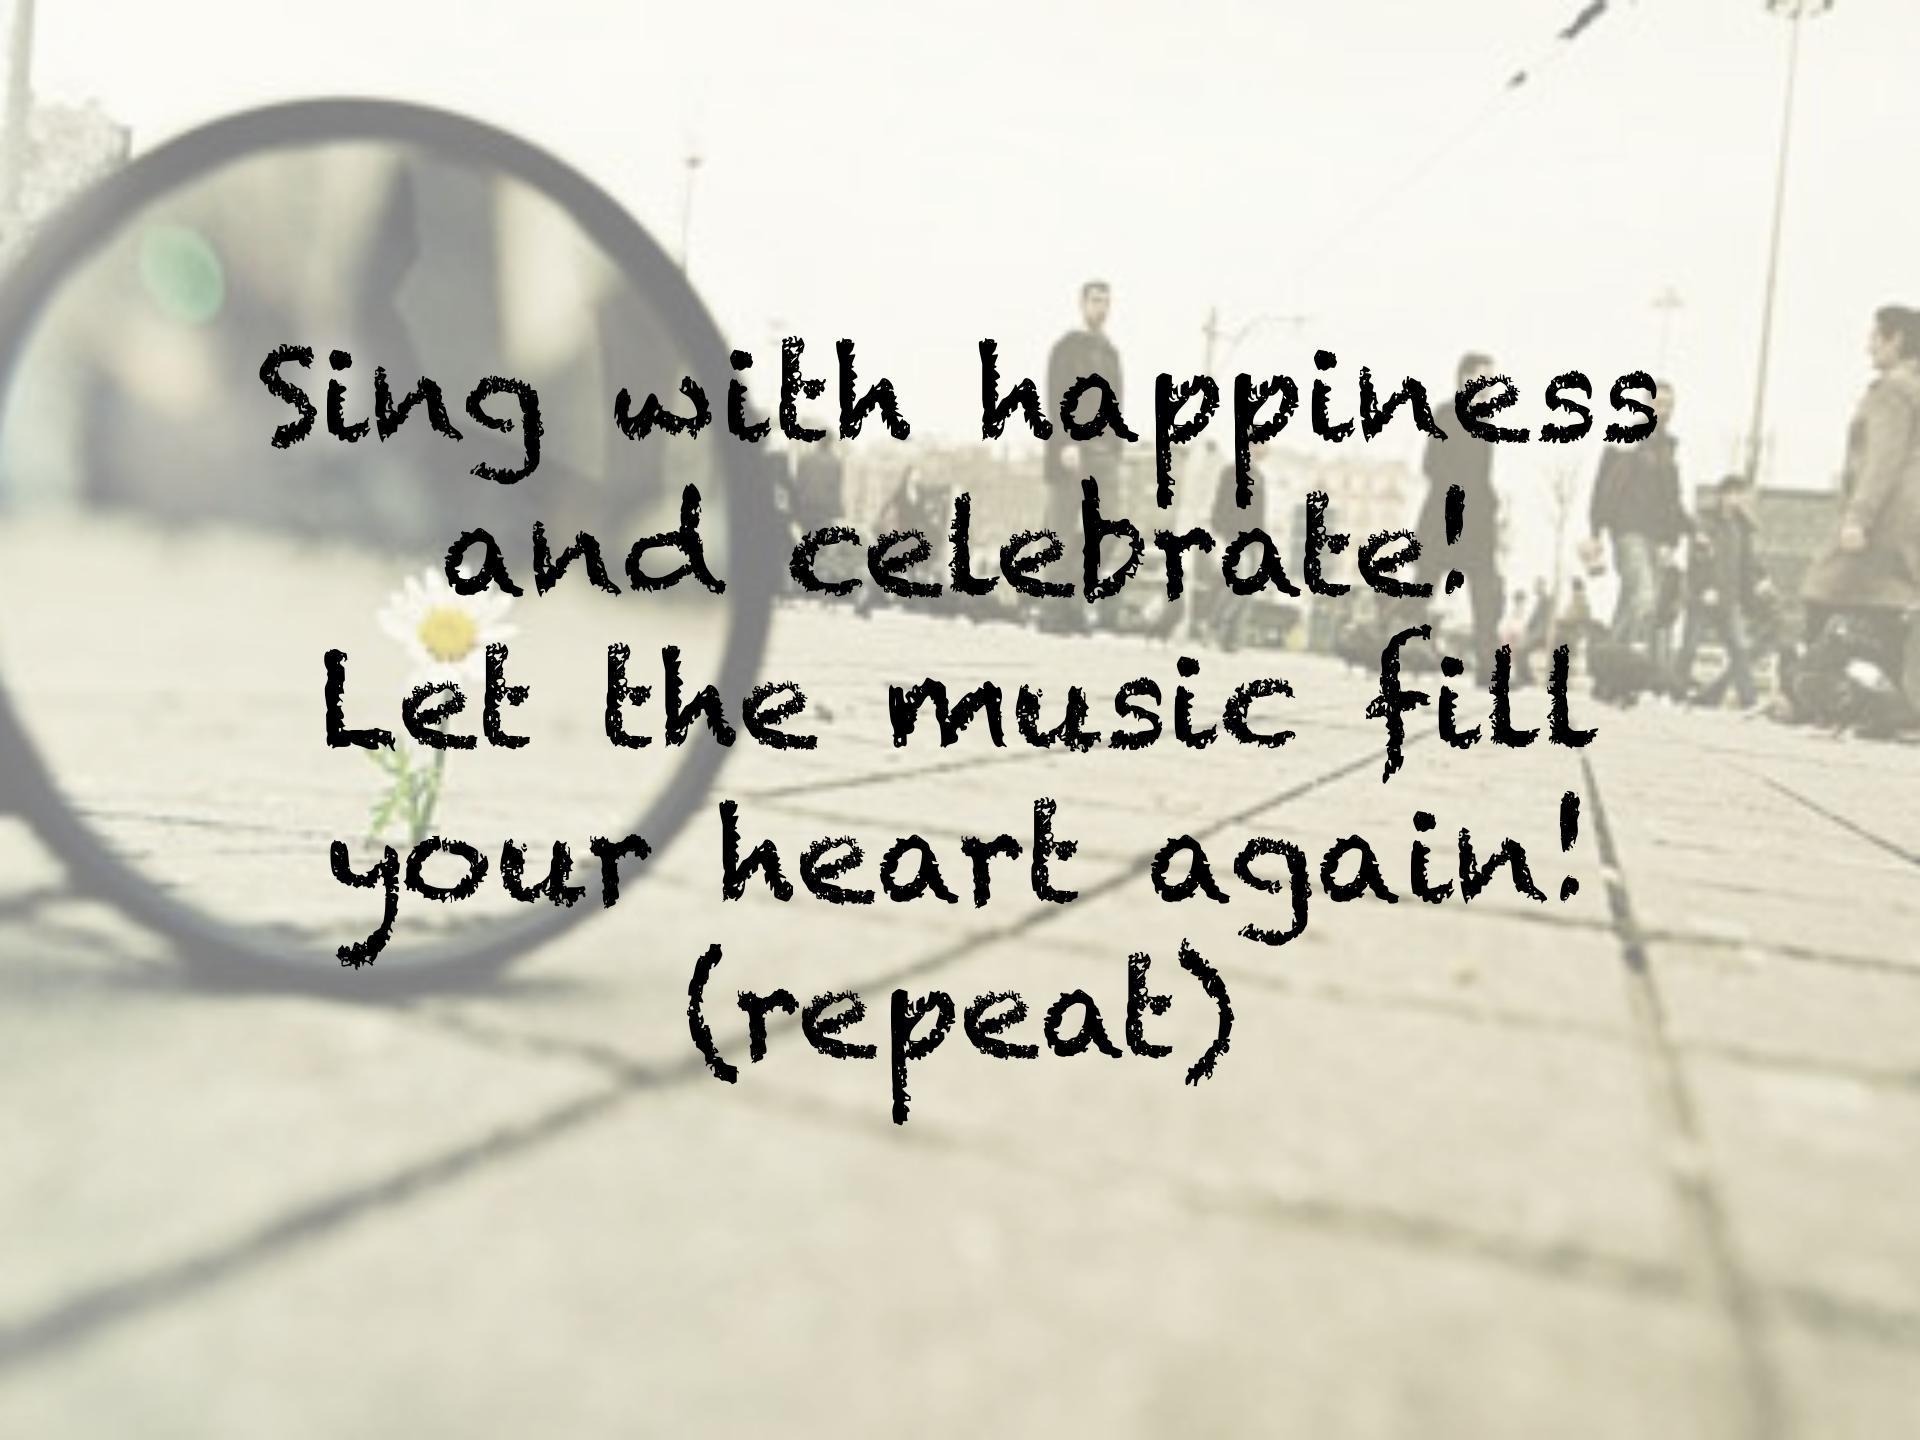

We have all been given
Songs to keep our hearts
rejoicing,
The melody and rhythm
Make the day a 'hit'.

We have all been given
Lots of reasons to be
happy.

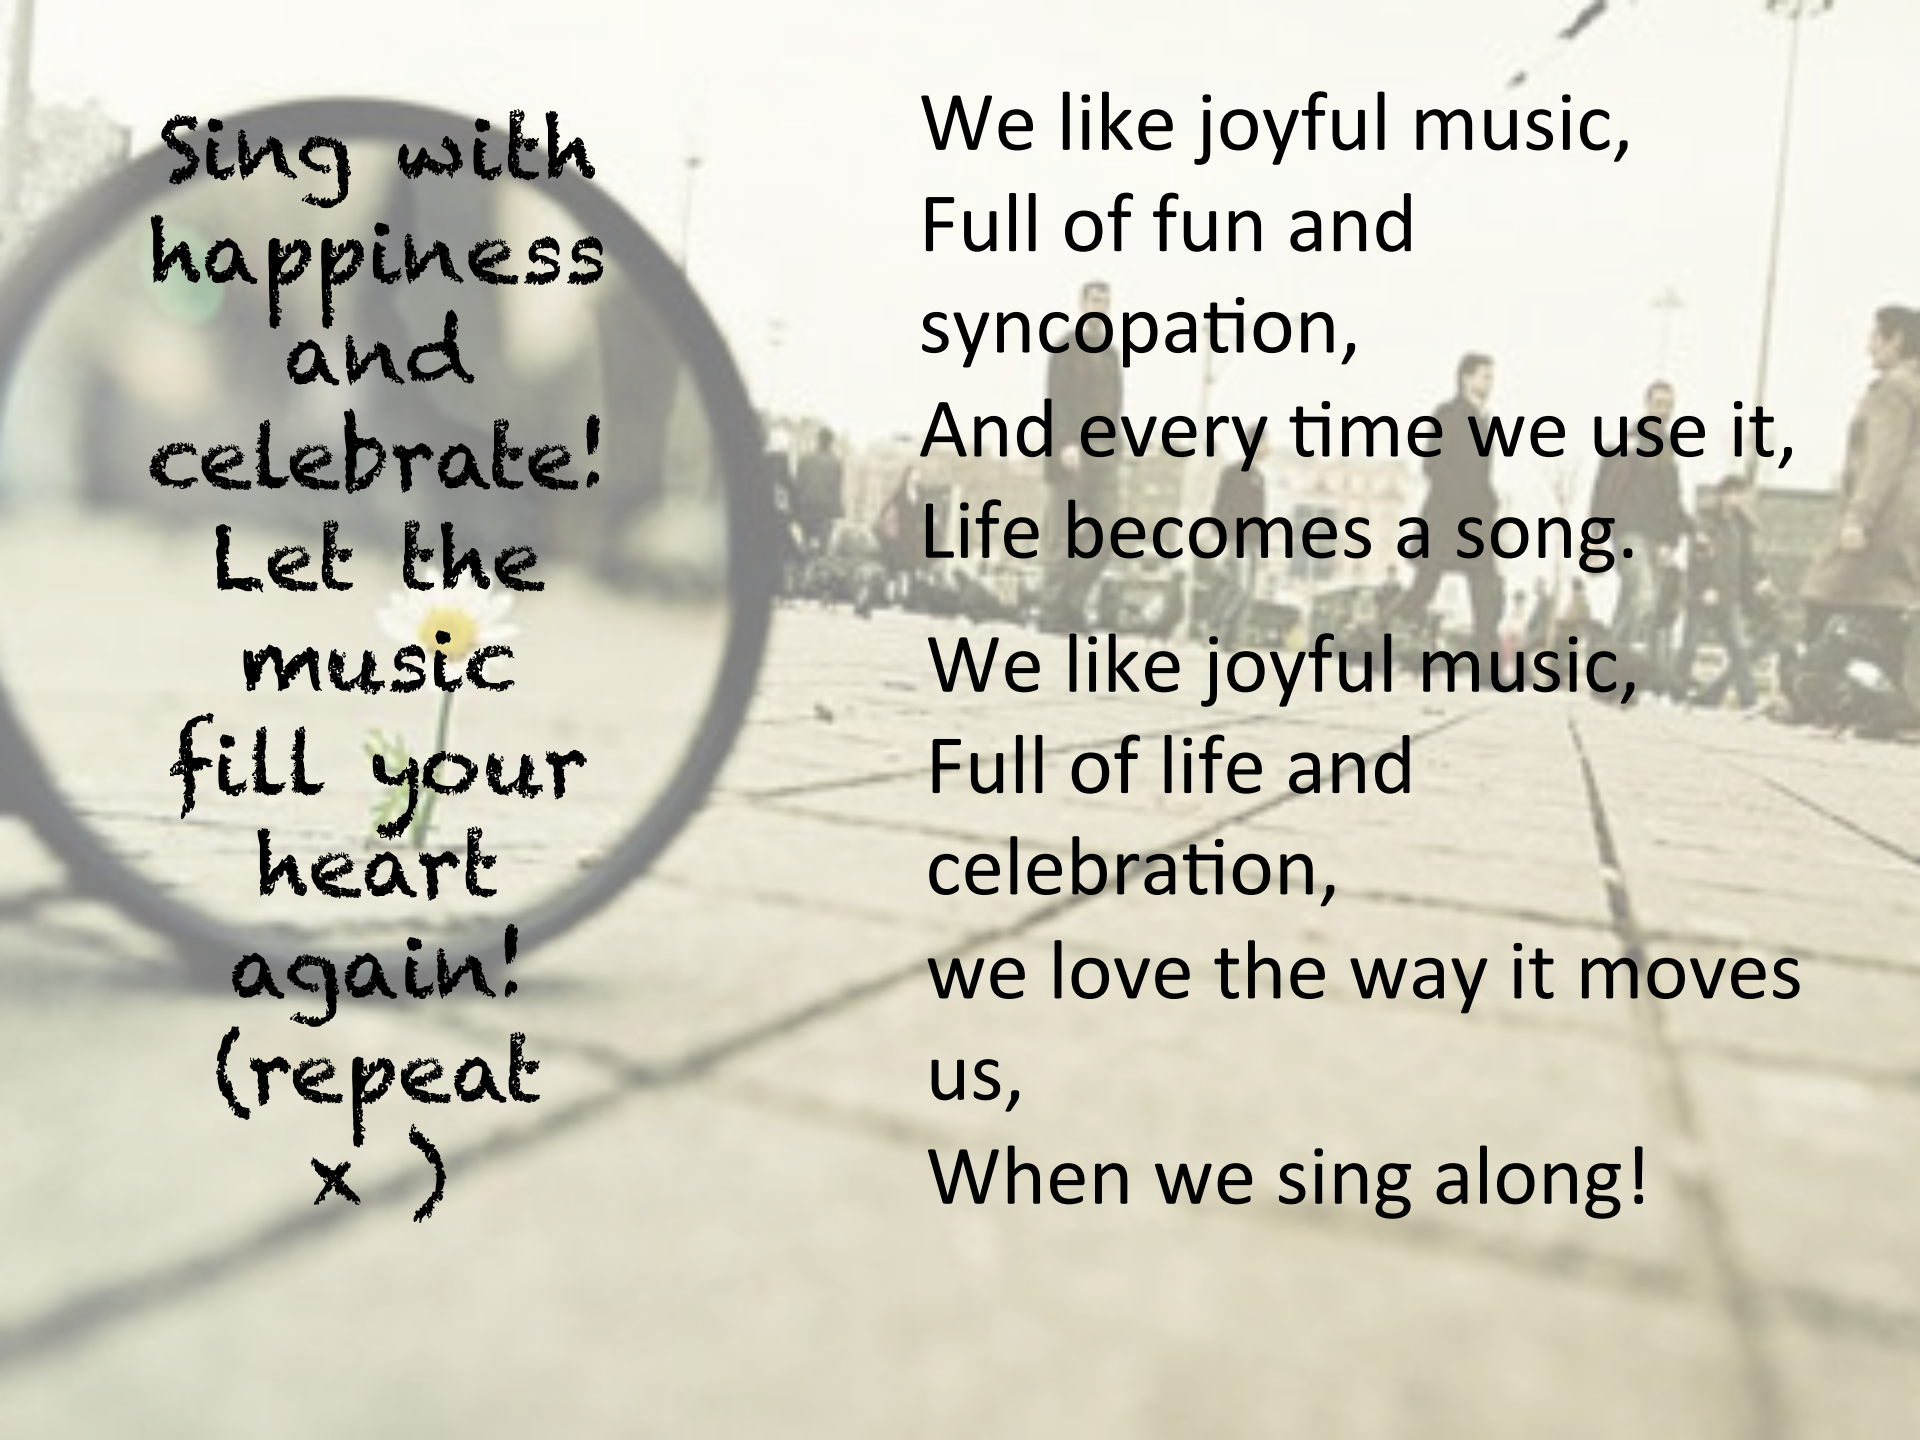

Life is made for living,
Make the most of it!

- 
- Don't just do the little things but...
 - ...enjoy the little things

Enjoy the little things in life,

for someday you
will realize

they were the

big things.
