

*Reach for the Moon*  
Week Commencing 2<sup>nd</sup> July 2012

Dear Parents / Carers

This week Mrs Ruth Pacey visited (wife of Head Teacher, Herbert Pacey, who was head teacher at Huntingtower School for 30 years, retiring in 1980). She was totally amazed at how our school is today. She had a guided tour of the whole building and chatted to both children and staff.

**P.T.F.A. SUMMER FAYRE - this Saturday, 7<sup>th</sup> July 11am - 1.30pm - a must for everyone this weekend! Please come along to support your school and P.T.F.A. One of the Olympic Torches will be here.**

## OFSTED

All pupils judge that adults in the school care about them. Pupils' personal development is good. Pupils understand the school's core values and behave well. They respect each other's backgrounds and are friendly and welcoming.

Year 5 pupils and parents are cordially invited to visit Walton Girls' High School on **Friday 13 July 2012** programme begins at 1.30 pm and ends at 3.00 pm. This invitation is in response to enquiries from several parents who would like to visit the school in advance of Open Day.

## OPEN DAY

**13 September 2012**

**Further details in local Press at the start of term.**

## PYRAMID CLUB - YEAR 6 CHILDREN

Sadly the Year 6 Pyramid Club has come to an end but we made sure we went out with a bang! We had great fun at the pyramid beach party on Wednesday where we invited the staff to come and join in our party games. Miss Harkins was very competitive playing musical surf boards!

While on Friday we walked to the Farrier after school and had a lovely meal. We really enjoyed reminiscing about all the exciting things we had done during the club. Some of us enjoyed the games while others enjoyed trying new foods but we all agree our memories of Pyramid Club were unforgettable.

## SHERWOOD PINES

On the 22<sup>nd</sup> June, Year 5 went to Sherwood Pines and had a fantastic time doing shelter building and pond dipping.

The best thing about shelter building was when Mrs Bensley came round shaking them, luckily none of group 1s fell down. The best part in pond dipping was at the end because somebody caught a rare creature called the Emperor. After that it was home time and on the coach everybody was exhausted and couldn't wait to get back to school.

## WOODSIDE WILDLIFE AND FALCONRY PARK

On Monday the Koalas and Kangaroos went to Woodside Wildlife and Falconry Park in Lincoln. We had a non-stop action packed day that was very enjoyable. We had the chance to meet Lemurs (one ate an apple off Mrs Kightley's head!), minibeasts (Miss Steeples held a tarantula!), reptiles (Miss Elsom loved the snake around her neck) and rats (Miss Eldred's favourite animal). Some children and Mrs Lambley even got the opportunity to fly Plop the Owl. The weather was miserable in the afternoon but we all had a thoroughly fabulous time. The Park Keepers mentioned how well behaved our children were and we would definitely recommend anyone thinking of visiting to do so. A big thank you to all of the adults who supervised the children and to parents for their contributions. We could not have had such a brilliant time without you!

## YRS 1 AND 2 TRIP TO SUTTON ON SEA A DAY AT THE BEACH

On Wednesday we were sitting in our classroom waiting for the coaches to arrive. Finally they arrived. Everybody was running to the coach. When we got on we were all so happy but our coach wouldn't move, it was because Huntingtower Road is very small. We had gone a little way then we stopped for about three minutes but I don't know why.

After we had got off the coach everybody was excited. We went passed the park and through some very pretty gardens. We put our bags down and had a snack.

After that we walked to the beach. I made a sand mountain. I collected some outstanding shells as well. People were busy building sand

castles, some were digging holes as well. We had a great time at the beach!

We walked a short distance to the food. When we got there we sat down for a bit. I was going to have cheeseburger with chips (I couldn't wait). Then our food came, it looked so delicious. It tasted outstanding too. After we waited for some other children to finish. Then we walked to the coach.

We all slowly this time walked onto the coach. It was not so long going home because we didn't stop (it was still quite long). Then we got off. We all had a very super day!

## LET'S GET COOKING

We have come to the end of Let's Get Cooking for this school year and the children who took part have all enjoyed cooking and tasting a variety of foods.

We have explored many types of dishes and looked at healthy options.

Some children have surprised themselves by enjoying things they thought they would not like. Many have learned new skills which hopefully will be useful to them in the future.

**Look out for our stall at the Summer Fayre!**

## FORTHCOMING P.T.F.A. EVENTS

**Summer Fayre - Saturday 7<sup>th</sup> July**

## DIARY DATES

Races Day - Thursday 12<sup>th</sup> July - KS2 10.00am /
