

Children learnt all of the 31 Set 1 sounds last term and will now be moving on to secure their blending skills. This is putting three or four sounds together to read a word. We will be reading captions and short sentences, and also looking at more red/tricky words e.g. was, said, you. Spelling three and four letter words will also be a focus. In Mathematics, we are developing our calculation skills with a focus on basic addition and subtraction. We will also be learning how to double and halve a set of objects. The children will be exploring 3d shapes, coins and time.

Happy New Year! The Kangaroos and Koalas have started their new exciting theme, 'CASTLES'. We are thinking about who would live in different types of castles, beginning with real life and then moving on to fairy tale. We will also be learning about knights and dragons, as well as castles around the world. The children will be making their own family shields and will be exploring the celebration of Chinese New Year. We will be having fun with the Disney characters in Frozen and learning the stories of Rapunzel and Sleeping Beauty. At the end of term we are hoping to enjoy a special prince and princess party to celebrate all of our learning. For more information please see our termly coverage document at <http://www.huntingtowerprimary.co.uk>

CAPTIVATING
CASTLES

ROUTINES		
P.E	WEDNESDAYS & THURSDAYS	Don't forget P.E kit and <u>no earrings.</u>
Reading	EVERYDAY	Please write in the blue Reading Diary.
Homework	Set every Friday to be handed in the following Tuesday.	

The school website is an excellent place to keep up with the happenings in the school:
www.huntingtowerprimary.co.uk
You can also follow us on Facebook and Twitter. Our class Twitter pages are: @KangarooClass & @KoalaClass

The happiness of your child is most important to us. If you have any concerns about your child, please do not hesitate to come and see their teacher.
