LET'S GET COOKING

On Wednesday 22nd May, we made vegetable curry. We all had a turn at chopping carrots, sweet potatoes, courgettes, green beans, peppers, onions and spinach. We fried the vegetables, added spices and poured in a tin of tomatoes and coconut milk. While we were waiting for the curry to cook people walked in and commented on the divine smell. As we waited, Mrs Cann told us some Let's Get Cooking jokes and the one that made us all laugh the most was "Why did the tomato blush? Because it saw the salad dressing!"

The curry was yummy.

LET'S GET MEN Cooking

We are hoping to run some sessions on a Wednesday 3.15 - 4.00pm where dads, big brothers, uncles, etc. will be willing to come along and join in some cooking activities. If you would be interested, please let us know.

TALLINGTON LAKES

During the holidays I went to Tallington lakes and had great fun. When I arrived we had to get on to the rapid speed boat which got us to the other side of the lake. At first I was really scared, but it was really fun! At the other side we had to get changed into wet suits and put our life jackets on. After that, we began our first activity which was sailing. We sailed out into the lake in our boats, but unfortunately, the back of my boat came off. Our next activity was kayaking. Kayaking was my favourite. After lunch we had rock climbing. It was hard but fun. Finally, we had tobogganing. Out of all the activities, my favourite one was kayaking.
