## Reading- RWI Ebook library

Here you will need to have a parent account or the class account to sign in to access the RWI books. We recommend reading the books three times. You can also look at the vocabulary and questions on the other two days, so a book should last a week.

Remember you can share what you have been up to through your parent's twitter account and tagging your class or @huntingtower. Remember your E-safety rules of not sharing your name and details online.
