Reach for the Moon

Week Commencing 7th October 2013

ISSUE 90

Dear Parents / Carers

I have spent a lot of time in classrooms this week and it is lovely to see so many wonderful learning opportunities taking place. Your children are a credit to you and the school and demonstrate a really good attitude towards their learning. Very shortly we will be updating our website and hopefully it will be more accessible to enable you to get more involved in your child's learning. Watch this space!

OPEN AFTERNOON FOR PARENTS - ADMISSIONS SEPTEMBER 2014

If you have a child who is due to start school in September 2014, please come along to our Open Afternoon **next Tuesday 15th October at 1.45pm.**

SCHOOL PHOTOGRAPHER

Please return your orders to school by **Monday 14th October.**

If your child was absent when the photographs were taken, the Photographer is coming back on Wednesday 20th November to take absentees.

UKELELE!

Over the past three weeks Panther class have been learning the Ukelele on a Friday afternoon. The children have come to love it and have taken to it with abandon, the excitement often reaching fever pitch when they get their box and discover what is its colour. We have currently learnt two songs and the hope is that at the end of this experience we will be able to put a small show on for the rest of the school.

PTFA

The PTFA would like to thank fellow parents for their feedback on the recent survey sent out. It is not too late to return yours if you haven't already. The planning meeting this week has resulted in dates for the Halloween Disco and Winter Fayre being put in the diary. If you would like to come along to the next meeting please leave your name at the office and the PTFA will be in touch.

The community fund project is a public voting competition between local charities. Inspire+ have applied for the money to be utilised for this year's Legacy Tour that will promote to pupils the Glasgow 2014 Commonwealth Games and encourage local children to be active for 60 minutes a day. If successful schools will receive Paralympic sports equipment so that disability sports can continue to be promoted in schools.
