

Home Learning week beginning: 22.06.2020

Year Group: Five

HUNTINGTOWER
A PRIORY ACADEMY

Maths	English	Curriculum	Wellbeing
<p><u>Year 5 White Rose Summer Term week 9</u></p> <p>https://whiterosemaths.com/homelearning/year-5/</p> <p>The focus for the next week is subtracting, multiplying and dividing decimals.</p> <p>Keep practising your times tables on Times Tables Rockstars.</p>	<p><u>'Ice' writing pack</u></p> <p>Look through the 'Ice' pack, can you create a story starter with great imagination? Can you continue the story? Work through the different activities. On 'Question time' try to think about answering each question in full, just like in Guided Reading sessions.</p> <p>Continue using Spelling Shed and to read at home as much as you can. We would love to see any book reviews you might complete about a book you have finished.</p>	<p><u>French – School and hobbies</u></p> <p>https://www.bbc.co.uk/bitesize/articles/zmt74xs</p> <p>Follow this link to watch two videos and complete the quiz and activity.</p> <p>Try to recap on other aspects of French you have learnt, could you try to teach someone in your family how to count in French? Or the names of the colours?</p>	<p>Make a playlist of your favourite feel-good music.</p> <p>Keep adding to the playlist every day as you think of more music that makes you feel happy. Every day, spend some time dancing to music from your playlist.</p> <p>If you are able to, get together with other people (e.g. at home, or friends via social media) and dance together to each other's playlists.</p>

Daily reading – Please read at home daily either to yourself or to an adult. There are also lots of children's books available to listen to for free on audible, although please be aware there may be future charges after a certain amount of time.

These activities are a suggestion of how you can spend your week on home schooling. It does not have to be structured this way or attempted all in one go. Please do not worry if you have not managed to complete everything.

Remember you can share what you have been up to through your parent's twitter account and tagging your class or @huntingtower. Remember your E-safety rules of not sharing your name and details online.
