

Story starter!

The girls huddled together and peered cautiously out of their bedroom window. They had been awoken, just moments earlier, by a strange light that burst through their curtains, filling the room with a silvery, white hue.

As one, they had tip-toed towards the source of the distraction, carefully dragging chairs across the room with them so that they could take a peek together.

They stared in awe and wonder, and the sight that met their eyes. Something magical was happening...
