I would love to see your drawings of what else could have been outside the window that night instead.</p> <p>Continue using Spelling Shed and to read at home as much as you can. They help us associate letters to things that are important to us. These <i>word bursts</i> are a great way to help you explore your own strengths through positive words.</p> <p>Around each 'word burst' think of positive things to say about yourself.</p>

Daily reading – Please read at home daily either to yourself or to an adult. There are also lots of children's books available to listen to for free on audible, although please be aware there may be future charges after a certain amount of time.

These activities are a suggestion of how you can spend your week on home schooling. It does not have to be structured this way or attempted all in one go. Please do not worry if you have not managed to complete everything.
