| <p><a href="#">Numberblocks</a><br/>Mon - Wed: The focus is on subtraction.<br/>Thurs &amp; Fri: The focus is on the numbers 16 and 17.</p> <p><b>Day 1</b> – Have a set of numbers from 6-15. Choose a number and get that many objects out. Roll a dice and take that number away. How many do you have left? Can you or your grown-up write the subtraction calculation for each one you complete?</p> <p><b>Day 2</b> - Subtraction Game: Grown-ups to write different subtraction calculations on a piece of paper. How many can you complete in one minute? Remember to use objects/blocks/Lego to help you.</p> <p><b>Day 3</b> – Using food items from your cupboards, can you complete some subtraction problems that your grown-up says? E.g. There are 8 apples, I eat 3 how many are left? See if you can write the subtraction calculation for each problem.</p> <p><b>Day 4</b> – Enjoy watching Numberblocks series4: Number 16.<br/><a href="https://www.bbc.co.uk/iplayer/episode/m0005yfs/numberblocks-series-4-sixteen">https://www.bbc.co.uk/iplayer/episode/m0005yfs/numberblocks-series-4-sixteen</a><br/>Do you have a favourite game? 16 is made up of 10 and 6. Can you use bricks/Lego to make 16. Maybe you could</p> | <p><a href="#">Phonics- Set 1 and set 2 sounds</a> These are on daily. Please remember to practise writing each sound.<br/><a href="#">Reading- RWI books</a></p> <p>Enjoy listening to the story of the Enormous Turnip. You can find it on YouTube at the following link:<br/><a href="https://www.youtube.com/watch?v=mGw5yTOPTSQ">https://www.youtube.com/watch?v=mGw5yTOPTSQ</a><br/>You can also find it on Twinkl as a powerpoint if you would like your grown up to read the story to you.<br/><a href="https://www.twinkl.co.uk/resource/the-enormous-turnip-t-t-7965">https://www.twinkl.co.uk/resource/the-enormous-turnip-t-t-7965</a></p> <p>Can you re-tell the story? Which characters can you remember that helped to pull up the turnip? Have a go at acting the story out with your family. Which character will you be? Which part of the story do you like and can you explain why you like it?</p> <p>Have a go at drawing a turnip and all the characters that helped to pull it up. See if you can label the characters using your sound knowledge: man, lady, boy, girl, dog, cat, mouse.</p>  <p>Can you write a sentence saying who pulled the turnip e.g.<br/>The man pulled the turnip. OR<br/>The dog pulled the turnip.</p> | <p>Last week we completed some activities about vegetables. This week we're going to be concentrating on fruit. Do you like to eat fruit? What are your favourite pieces of fruit to eat?</p> <p>If you have some pieces of fruit at home, ask your grown up to put some in a bag. They have to reach in and describe a piece of fruit and you have to guess what fruit it is.<br/>You could then put your hand in the bag and describe a piece of fruit to your grown up or sibling and they have to guess which piece of fruit it is.</p> <p>Have a go at making a fruit salad for you and your family to eat. Take a picture of your fruit salad and put it on Twitter for us all to see. Or you might like to try making a fruit smoothie? Again, you could pop a photo on Twitter.</p>  | <p>Have a look at the Makaton signs for man, lady, boy, girl, dog, cat and mouse.</p>  <p>Man</p>  <p>Woman</p>  <p>Boy</p>  <p>Girl</p>  <p>Dog</p>  <p>Cat</p>  <p>Mouse</p> |

Home Learning week beginning: 06.07.2020

Year Group: Early Years

HUNTINGTOWER  
A PRIORY ACADEMY

try making 16 as a square number. 4 columns and 4 rows.

**Day 5** – Enjoy watching Numberblocks series 4: Number 17.

<https://www.bbc.co.uk/iplayer/episode/m00063vv/numberblocks-series-4-seventeen>

Have you ever visited an art gallery? Do you love to make art? What do you like to paint? Choose something that you would like to paint and see if you can paint 17 of them e.g. 17 apples, 17 flowers, 17 birds, 17 dots. Maybe you could paint 10 in one colour and then the 7 in lots of different colours like the rainbow 7 Numberblock.

These activities are a suggestion of how you can spend your week on home schooling. It does not have to be structured this way or attempted all in one go. Please do not worry if you have not managed to complete everything.

#### Reading- RWI Ebook library

Here you will need to have a parent account or the class account to sign in to access the RWI books. We recommend reading the books three times. You can also look at the vocabulary and questions on the other two days, so a book should last a week.

Remember you can share what you have been up to through your parent's twitter account and tagging your class or @huntingtower.

Remember your E- safety rules of not sharing your name and details online.
