| <p><u>Year 5 White Rose Summer Term week</u></p> <p>https://whiterosemaths.com/homelearning/year-5/</p> <p>The focus for the next week is shapes, reflection and translation.</p> <p>Keep practising your times tables, remember you can use Hit the Button game as a good way to practise.</p> | <p><u>Transition letter</u></p> <p>Very soon, we will all be back at school together and you will be starting in a new class with a new teacher. This week I would like you to think about writing a letter to your new teacher, what do you want them to know about you? How do you feel about coming back to school? What are you looking forward to the most? Is there anything you are unsure about?</p> <p>Could you create a silhouette portrait of yourself, similar to this example, filled with things that represent you? It could even be tweeted and you can tag the Zebras and Wolves class teachers to show them.</p>  <p>Continue using Spelling Shed and to read at home as much as you can. We would love to see any book reviews you might complete about a book you have finished.</p> | <p><u>History – Family Tree</u></p> <p>You may not have seen some of your family for a long time, so this week I would like you to think about putting together a family tree as far back as you and your family can go.</p> <p>Once you have put this together, you might then want to select someone from your family to make a 'Family Profile' of, what can you find out about them that you did not already know before? You might spend some time talking to them on the phone, think about what interesting questions you can think of!</p>  | <p><u>Positivity Jar</u></p> <p>Sometimes we can start to feel a bit sad, and compare ourselves to other people. This week I would like you to create a positivity jar, think of everything about you that you like, ask other people what they like about you too and put them inside. If at any time, you're not feeling good about yourself, pick one out and read it.</p> <p>You could also create a separate jar, think of all the things you'd like to do when life becomes a little more normal, they can then be ready for you to pull out as time goes on.</p> |

Daily reading – Please read at home daily either to yourself or to an adult. There are also lots of children's books available to listen to for free on audible, although please be aware there may be future charges after a certain amount of time.

Home Learning week beginning: 06.07.2020

Year Group: Five

These activities are a suggestion of how you can spend your week on home schooling. It does not have to be structured this way or attempted all in one go. Please do not worry if you have not managed to complete everything.

Remember you can share what you have been up to through your parent's twitter account and tagging your class or @huntingtower. Remember your E-safety rules of not sharing your name and details online.
