

HUNTINGTOWER
A PRIORY ACADEMY

Year 2 Curriculum Letter Summer Term 2024

Mathematics

We will be continuing to follow the White Rose programme in Maths in Y2.

We are focusing on:

- Fractions
- Time
- Measurements (length, mass and volume)
- Statistics (graphs and pictograms)

You can help by:

- Continuing to practise multiplication facts of 2s, 5s and 10s and the related division facts.
- Looking at clocks regularly and discussing o'clock, half past, quarter past and quarter to
- Discussing halves, quarters and thirds
- Talking about what we measure at home in centimetres and metres; millilitres and litres; grams and kilograms

English

Children will continue to be using RWI or literacy curriculum in Y2.

We will continue to focus on:

- Increasing the fluency of reading with words read per minute
- Answering questions about what they have read with more accuracy and understanding
- Spelling Y1 and Y2 common exception words (CEW) correctly and other words phonetically
- Understanding the question words of what, who, where, when, how
- Creating longer pieces of writing

You can help by:

- Reading regularly with a focus on questioning or doing quizzes on scholastic
- Writing sentences with correctly spelled CEW words in them
- Practise writing longer sentences using because, but, and so at home

Please wear **Academy PE kit** for the day and have earrings removed or covered with plasters.

Year 2 have PE on:

MONDAYS and TUESDAYS

Homework is given out on **Fridays**.

Wider Curriculum

- **Science**- Plants and the environment
- **History**- Significant people – Martin Luther King and Rosa Parks

Y2 Trip

Y2s are going to the Forest School at Great Wood Farm on Thursday 6th June. It is recommended children wear tracksuit bottoms/joggers with their school polo top/jumper/cardigan. Sturdy boots or wellies should be worn. Please make sure you have given permission for your child to go and voluntarily contributed towards the cost of £12.75. Many thanks for the contributions so far.

The happiness and well-being of your child is most important to us and we can achieve this through our partnership with you. If you have any small concerns, please do not hesitate to contact your class teacher via ClassDojo during school hours or email for larger concerns.
