

OUR CULTURE AND VALUES

...and
Britain's

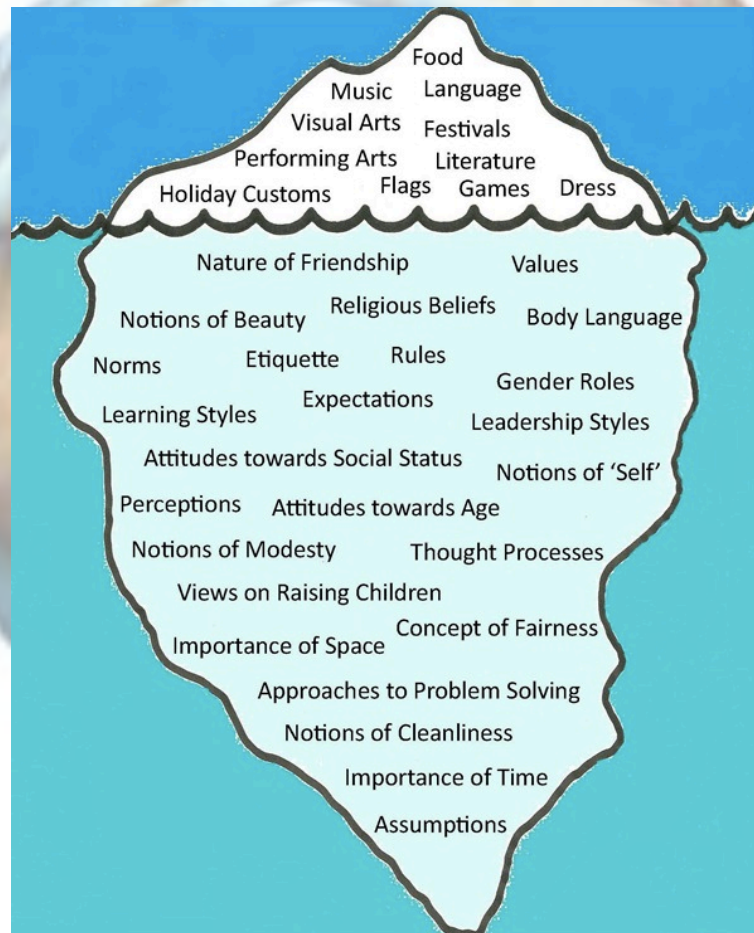

What is culture?

- Culture

The totality of socially transmitted behaviour patterns, arts, beliefs, institutions, and all other products of human work and thought. Culture is learned and shared within social groups and is transmitted by nongenetic means.

- The way we do things!

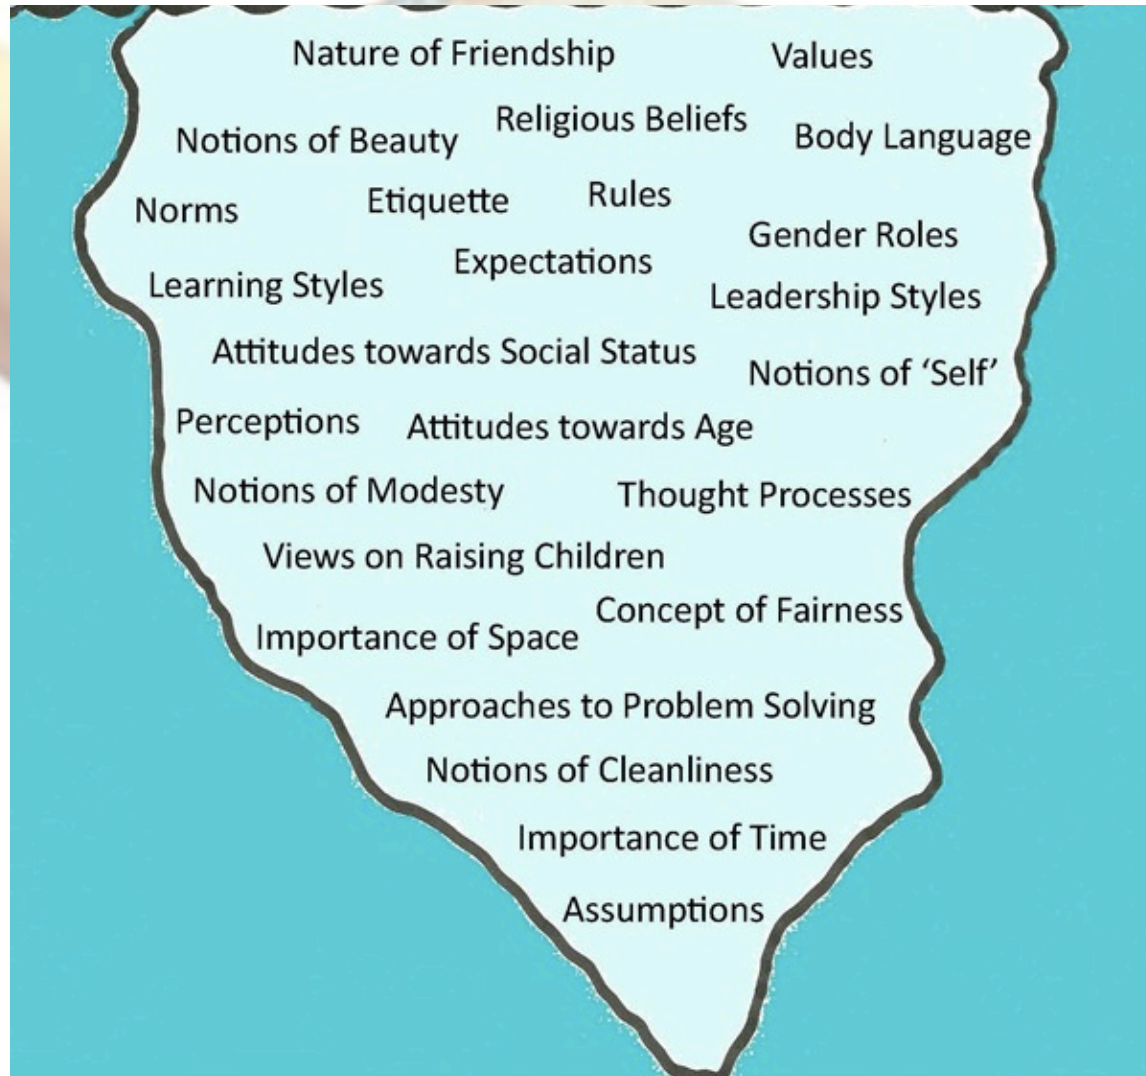

Culture is a bit like an iceberg!

What is clearly visible

What sits below the surface

What are values?

- Values

Your values are the things that you believe are important in the way you live and work. They (should) determine your priorities, and, deep down, they're probably the measures you use to tell if your life is turning out the way you want it to.

- What we believe in!

What are ours?

- Respect
- Expect
- Aspire
- Care
- Honest

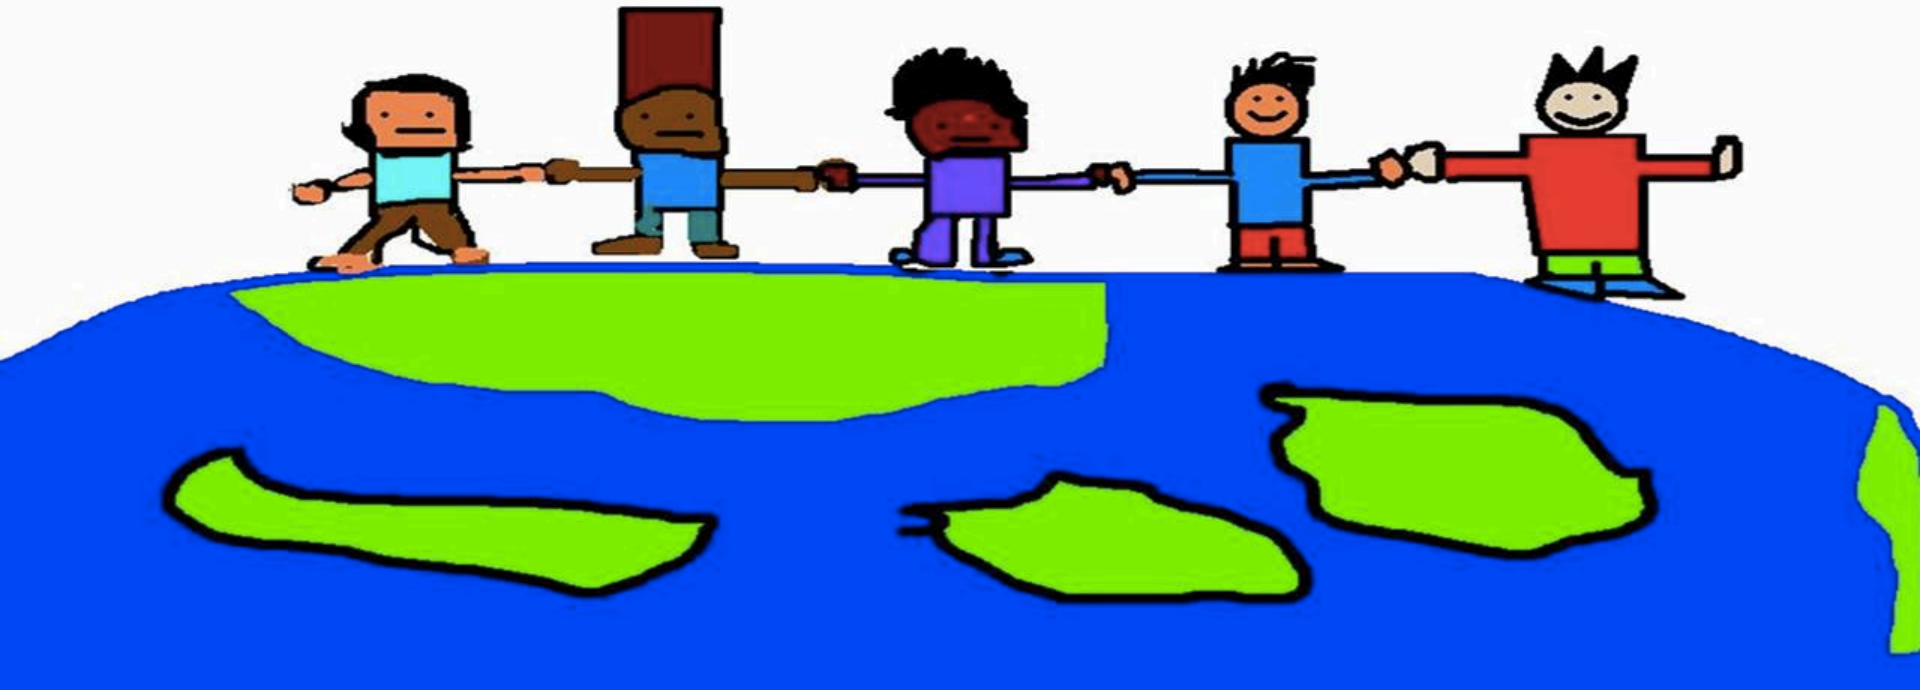

What are British Values?

- Democracy - people's right to have their say
- Rule of Law - respect for it
- Individual Liberty - to be free
- Mutual respect and tolerance of different faiths cultures

Tolerance means...

appreciating and respecting
differences in people.

Respect and Tolerance

- Closely linked
- Our academy has small cultures within it
- Respect them all
- Difference is what makes us Huntingtower
