Sun up in the morning,
Time to get a-moving,
There's a day for living
and there's work to be
done.

Minutes turn to hours,
Seeds becoming flowers,
Everything around us is
a-moving along.

The earth it keeps
turning,
Everything around us is
a-moving along.
We're living and learning,
Living and a-learning as
the day goes on.

Getting on together,
Helping one another,
Living in the rhythm as
we journey on.

Summer into Winter,
Streams becoming rivers,
Everything around us is
a-moving along.

The earth it keeps
turning,
Everything around us is
a-moving along.
We're living and learning,
Living and a-learning as
the day goes on.

Changing and a-growing,
coming and a-going,
Everyone together living
under the sun.

Morning turns to evening,
sowing turns to reaping,
Everything around us is
a-moving along.

The earth it keeps
turning,
Everything around us is
a-moving along.
We're living and learning,
Living and a-learning as
the day goes on.
REPEAT

Sun up in the morning,
Time to get a-moving,
There's a day for living
and there's work to be
done.

Minutes turn to hours,
Seeds becoming flowers,
Everything around is a-
moving along.
