

# Opinion

- What does it mean?
  - a view or judgement formed about something, not necessarily based on fact or knowledge.
  - a statement of advice by an expert on a professional matter.

# All opinions are important

- Is that true?
- What would be the outcome if everyone acted as if they were?
- Should everyone agree with everyone else to encourage peace and harmony?
- What would life be like if that were the case?

# What about these opinions?

- I like chocolate
- Everyone should own a dog
- Pink is the best colour
- No one should be allowed to drive on Thursdays.
- Are these decisions life changing?
- Could they be enforced?

# And these?

- All cars should have a free yearly safety test
- Any form of hunting or shooting for sport should be banned
- Train travel should be cheaper
- We should all do more exercise.
- Are these the same as before?

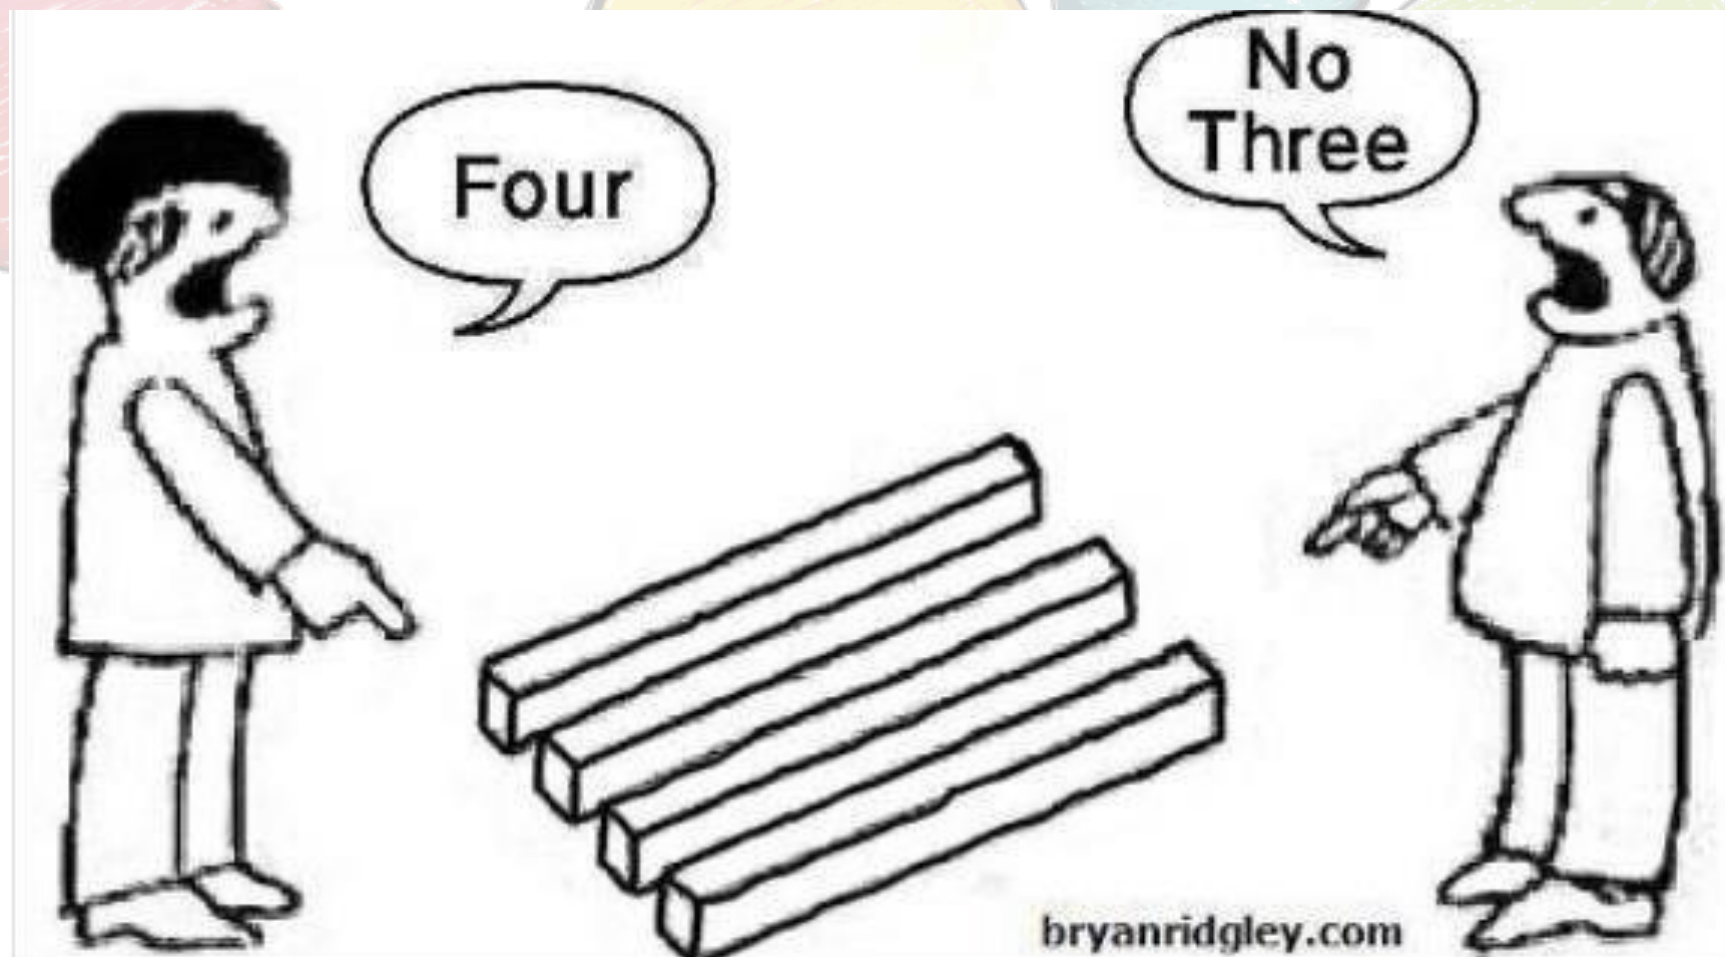

# ...and these?

- There is no God but Allah (Islam)
- Love your neighbour as yourself (Christianity)
- The Lord is your God (Judaism)
- A person becomes perfect by leading an unselfish life (Buddhism)

- Respect
- Tolerance
- Freedom
- Choice
- Peace
- Harmony

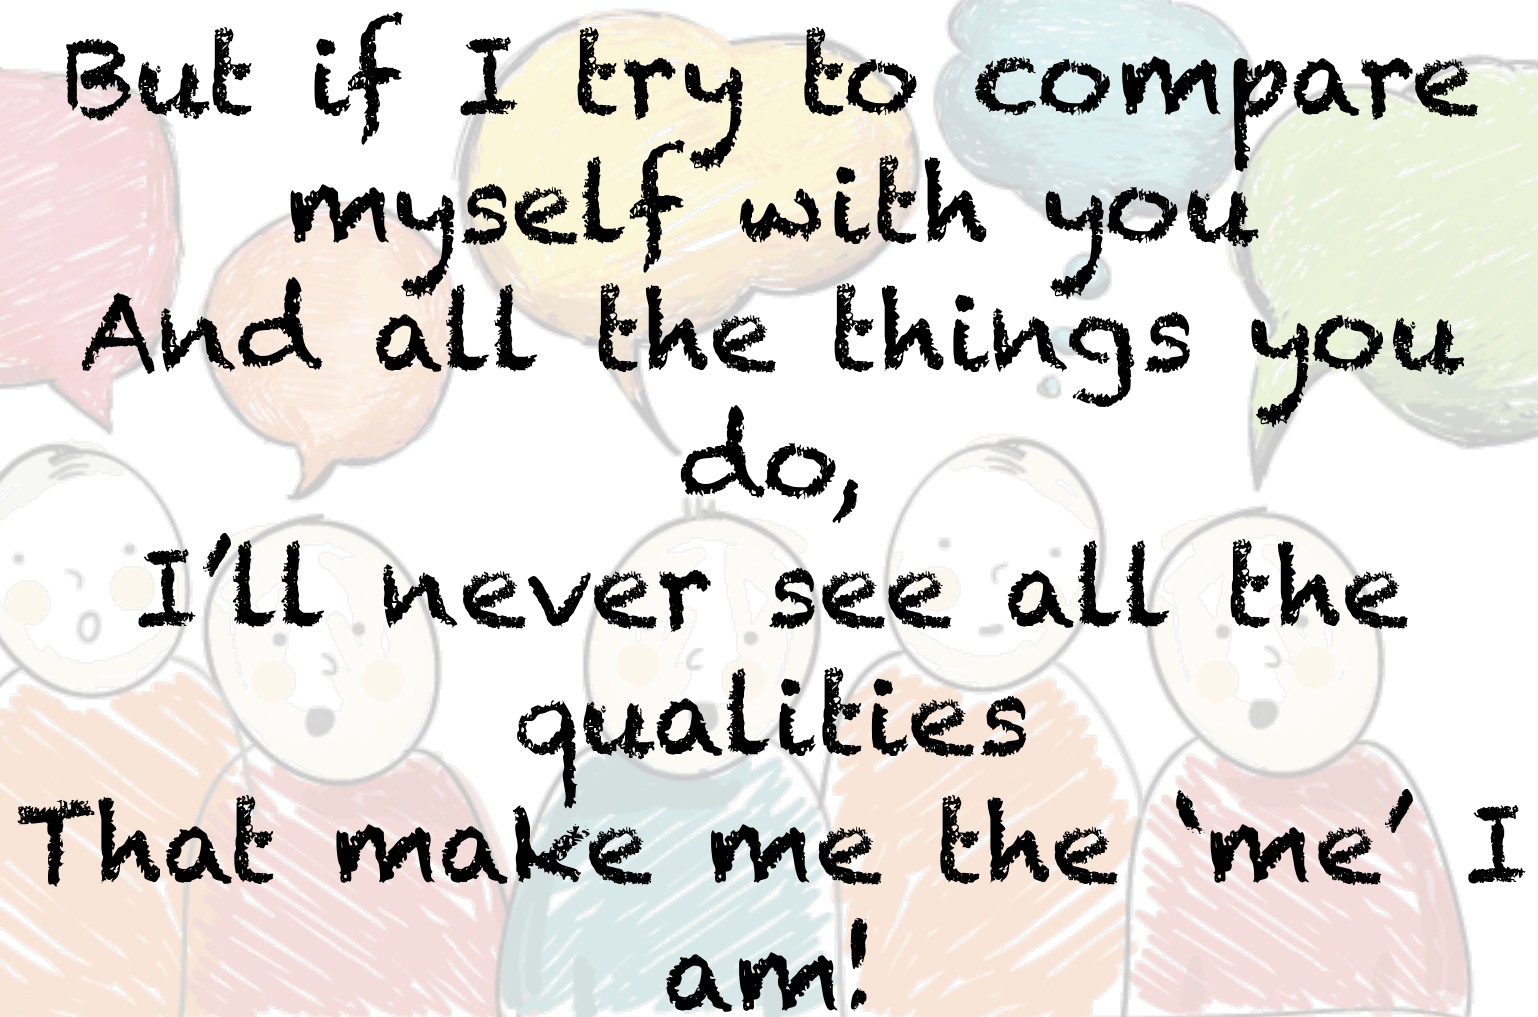

It's good to be me,  
It's good to know you,  
It's great to be different  
but together.

There's no need to be  
In anyone's shoes,  
I'm happy to be the 'me' I  
am

The background features several colorful, hand-drawn speech bubbles in shades of pink, orange, yellow, blue, and green. Below the text, there are stylized, colorful figures that look like people or flowers, also in shades of pink, orange, and blue.

But if I try to compare  
myself with you  
And all the things you  
do,  
I'll never see all the  
qualities  
That make me the 'me' I  
am!

I'm free to be who I am  
wherever.

With all of my faults  
(And there'll be a few!)  
I'm happy to be the 'me' I  
am

The background features a hand-drawn illustration of four stylized figures. From left to right, they are colored orange, pink, blue, and orange. Each figure has a simple face with two dots for eyes and a small mouth. Above each figure is a thought bubble of a different color: pink, orange, yellow, and green. The text is written in a black, hand-drawn font, with the first two stanzas on the left and the last stanza on the right.
