

*"In the long run you hit
what you aim at, so aim high"*

Henry David Thoreau

One of my favourite places

*"In the end, it's not about
what you aim at, so aim high"*

Most people
fail in life not
because they
aim too high
and miss, but
because they
aim too low and
hit.

- Les Brown

*"Don't hit
at, so aim high"*

David Thoreau

I could
make it
easy for
myself!

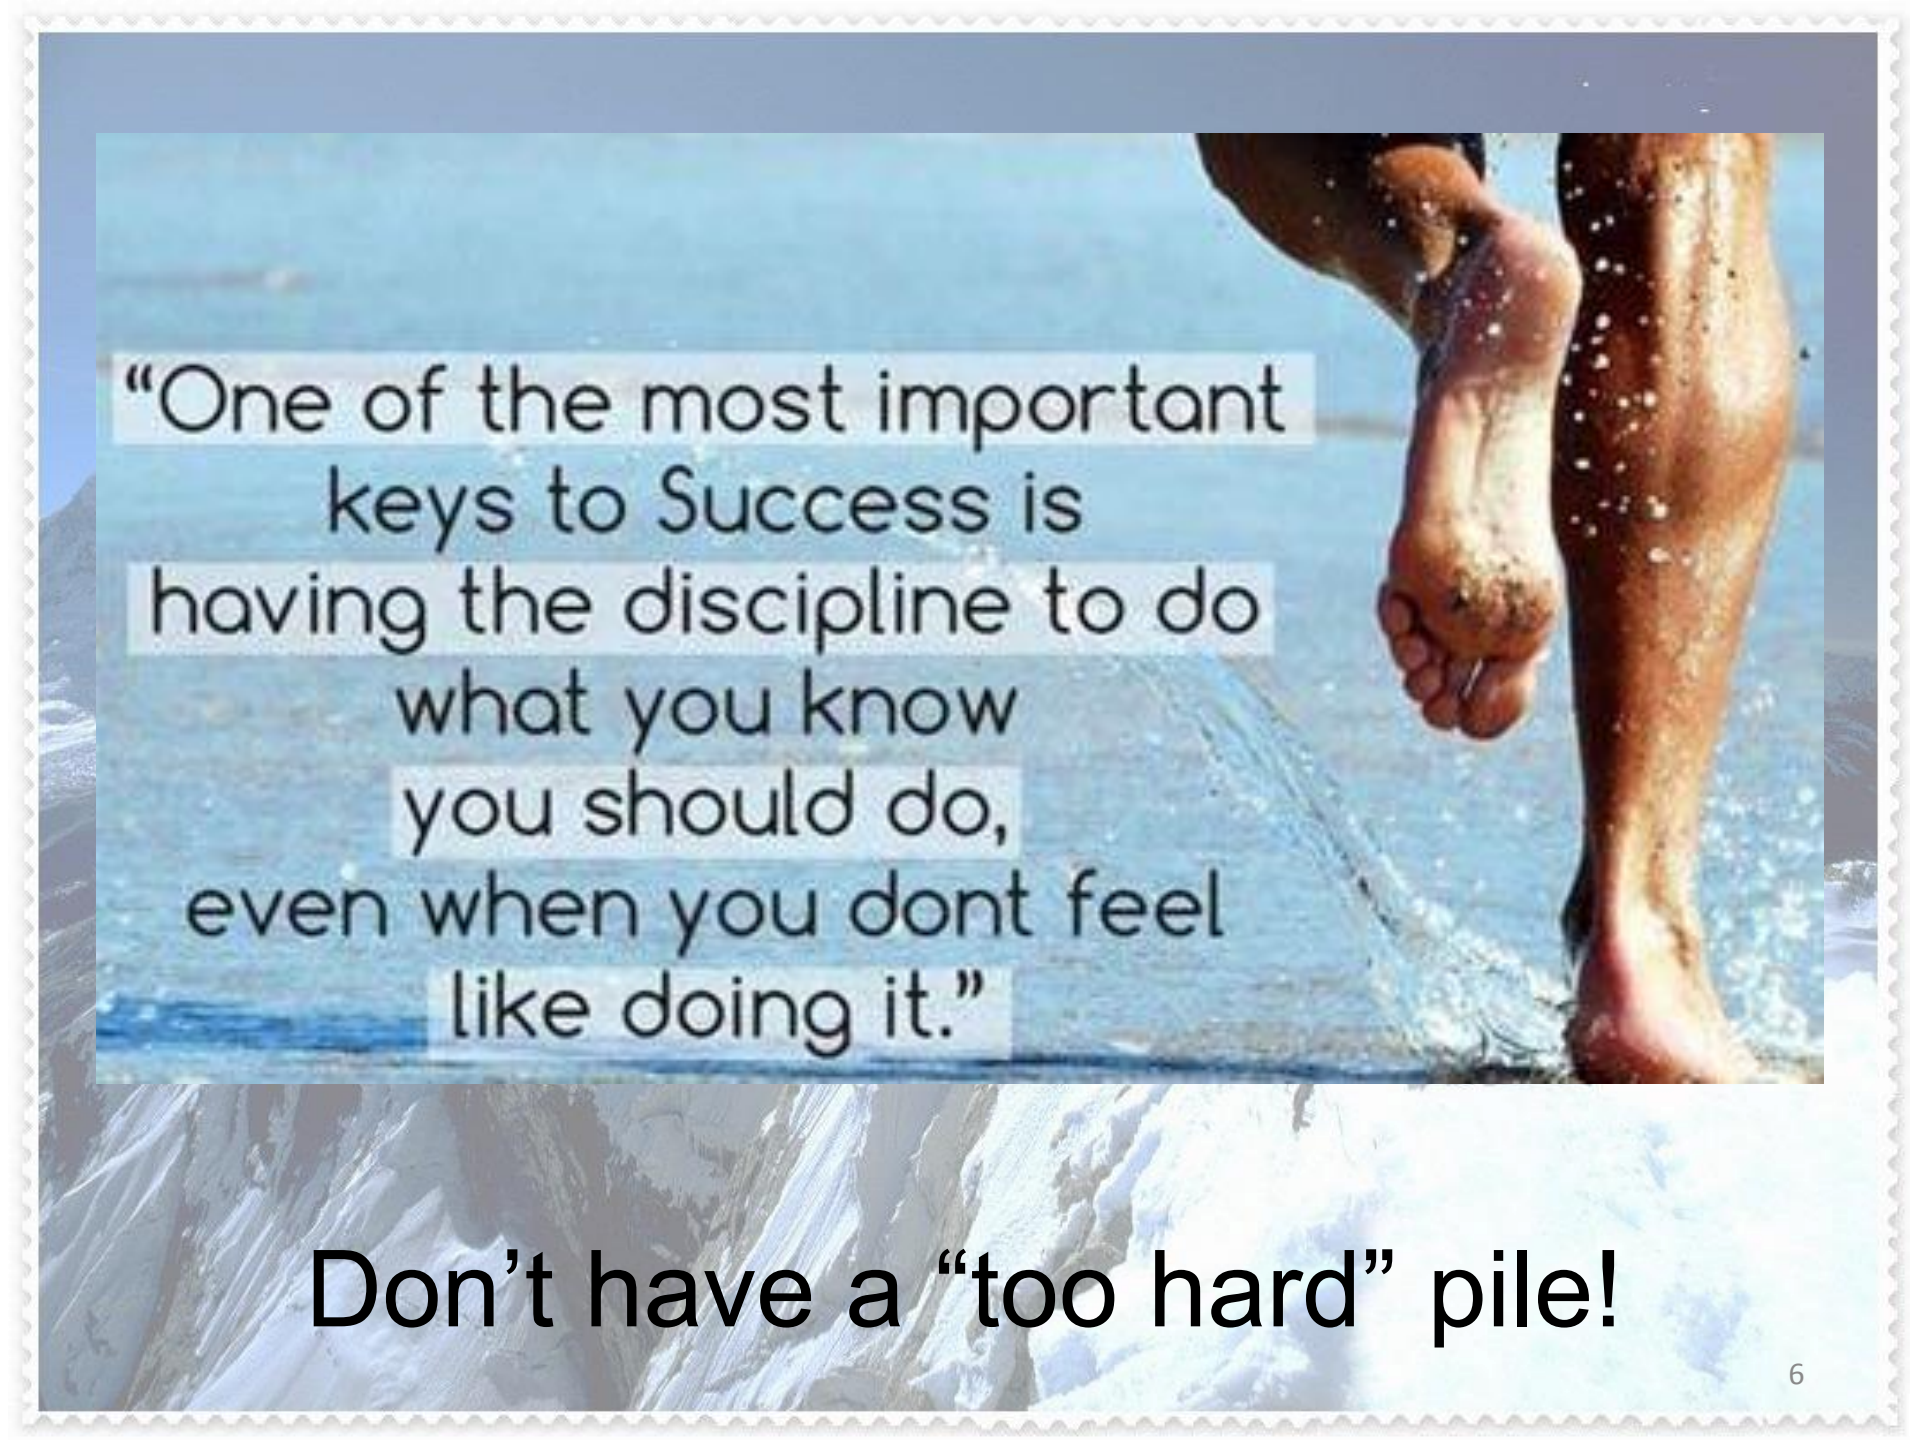

**IF YOU DON'T FAIL
90% OF THE
TIME,
YOU'RE
NOT
AIMING
HIGH ENOUGH.**

Failure is *"In the long run
scary – I still
fail
regularly!"* what you do

**KEEP CALM
AND
STOP BEING
AFRAID OF
MAKING MISTAKES**

A close-up photograph of a person's legs and feet walking on a beach. The person is wearing dark shorts. The feet are stepping on wet sand, and water is splashing around them. The background shows the ocean and a clear sky.

“One of the most important
keys to Success is
having the discipline to do
what you know
you should do,
even when you dont feel
like doing it.”

Don't have a “too hard” pile!

Success doesn't just happen!

*"In the long run you fit
what you aim at, so aim high"*

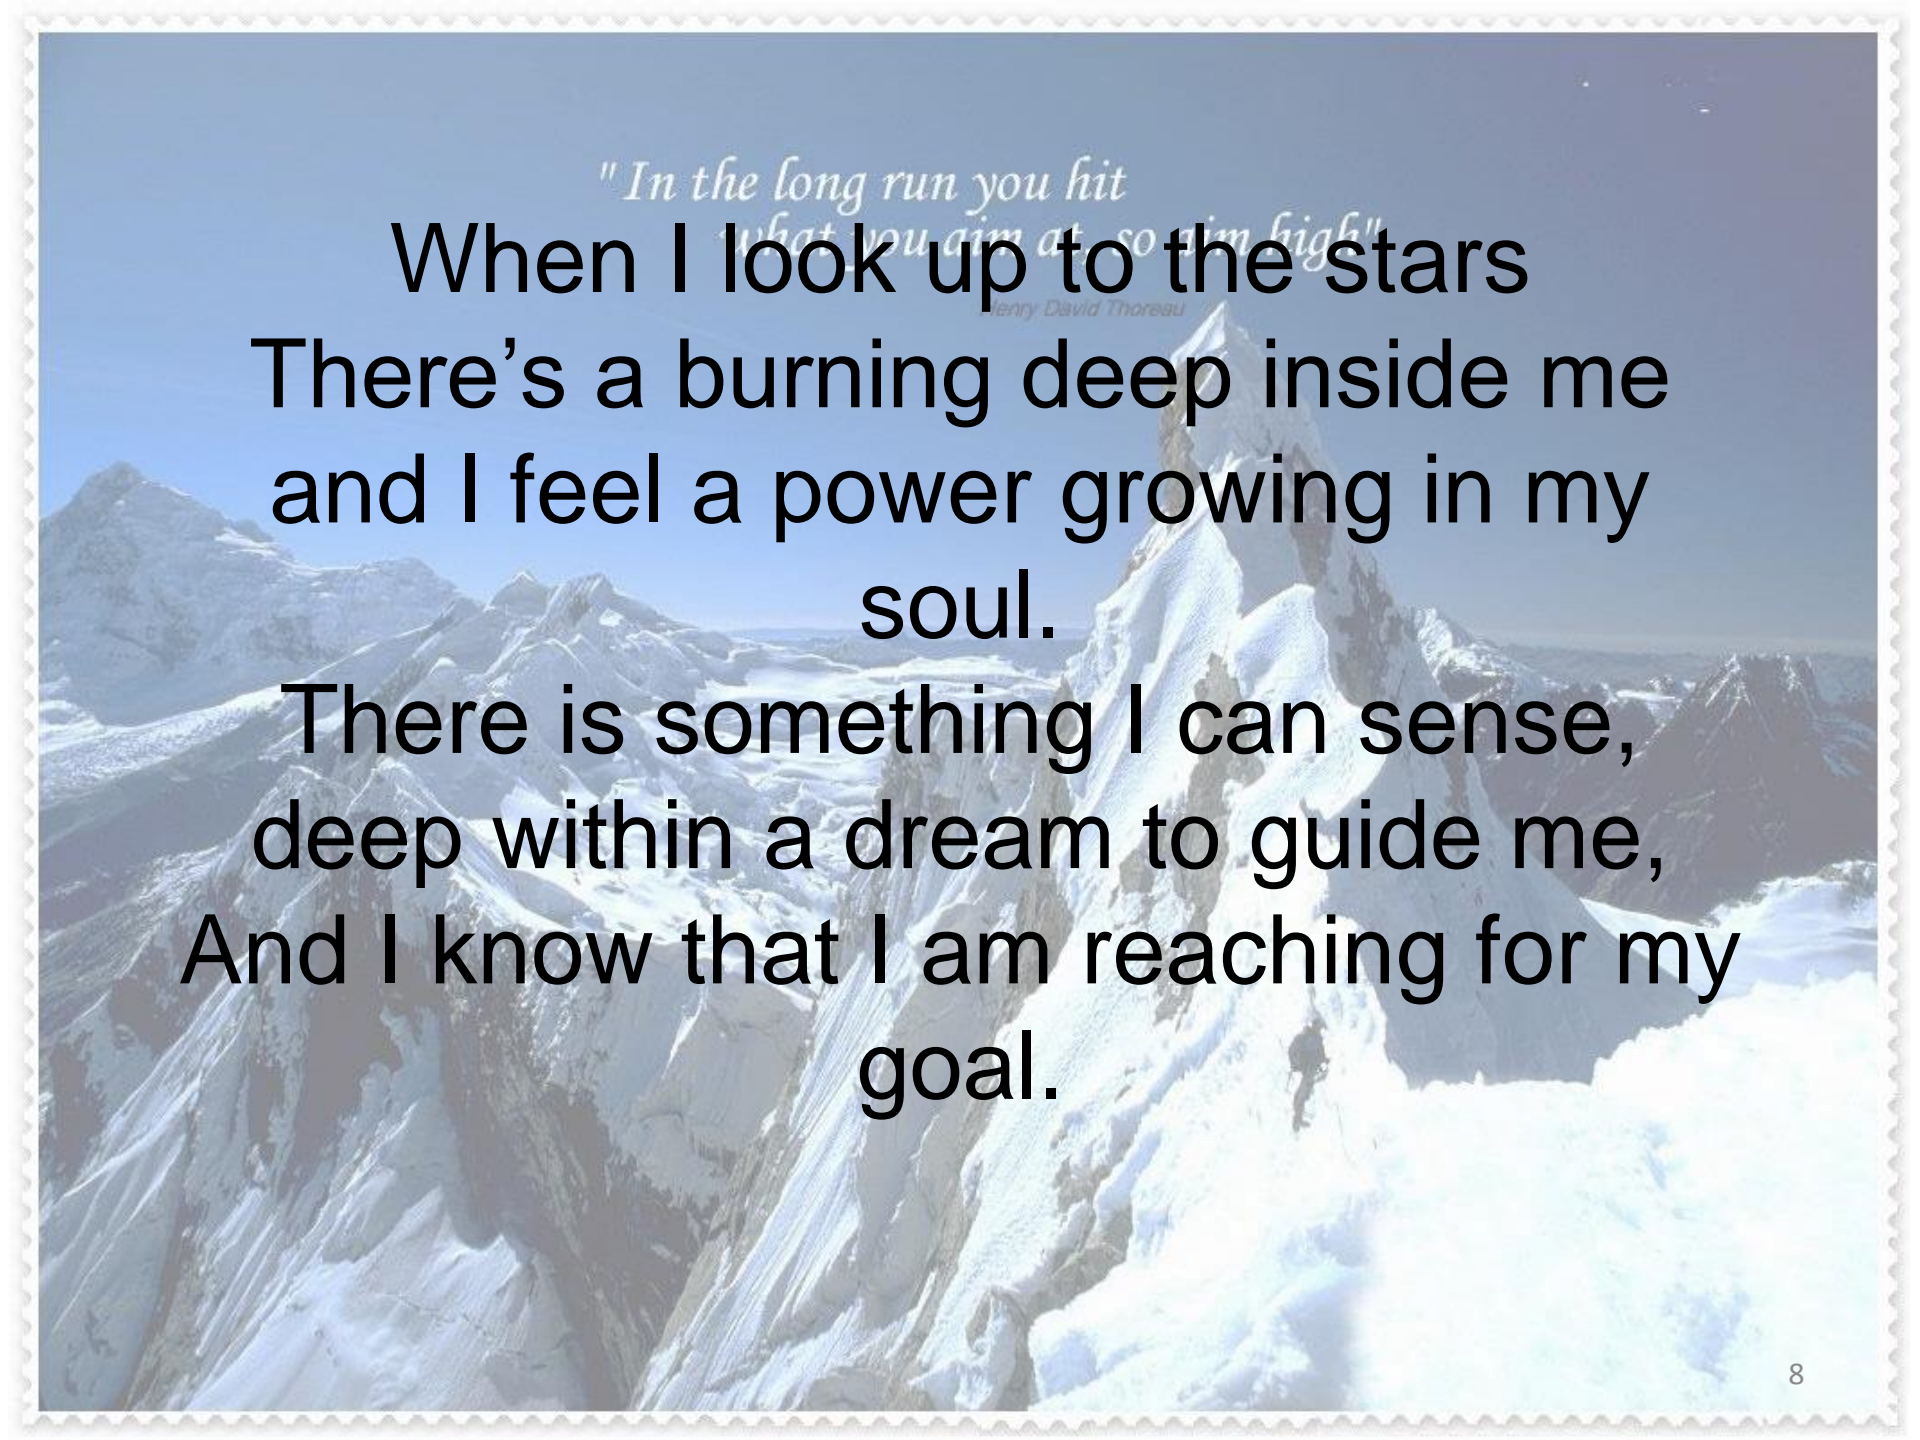

Henry David Thoreau

You have to

- Aim high
- Work hard
- Persist – keep going
- Be brave

**Never underestimate
the power of
persistence.**

*"In the long run you hit
what you aim at, so aim high!"
Henry David Thoreau*

When I look up to the stars
There's a burning deep inside me
and I feel a power growing in my
soul.

There is something I can sense,
deep within a dream to guide me,
And I know that I am reaching for my
goal.

*"In the long run you hit
what you aim at, so aim high"*

***I can do anything at all
I can climb the highest mountain,
I can feel the ocean calling wild and
free.***

***I can be anything I want,
with this hope to drive me onward,
if I can just believe in me.***

*"In the long run you hit
what you aim at, so aim high"*

When the skies are dark and grey,
We still know the sun is shining:
though it's out of sight, its light is
glowing still.

And as long as I believe,
there is nothing I can't wish for;
not a dream that I'm unable to fulfill

*"In the long run you hit
what you aim at, so aim high"*

***I can do anything at all
I can climb the highest mountain,
I can feel the ocean calling wild and
free.***

***I can be anything I want,
with this hope to drive me onward,
if I can just believe in me***

*"In the long run you hit
what you aim at, so aim high"*

Henry David Thoreau

And whatever it takes I'll find it some-
how
whatever it needs I'll show I'm strong
Whatever it takes I'll make it happen
finding out where I belong.

*"In the long run you hit
what you aim at, so aim high"*

While the world is spinning round I
can sometimes lose direction
and I know how hard it is to find my
way.

but with friends around to care, there
is nothing I can't handle.
and I'll face the future treasuring
each day.

*"In the long run you hit
what you aim at, so aim high!"*
Henry David Thoreau

I can do anything at all
I can climb the highest mountain,
I can feel the ocean calling wild and
free.

I can be anything I want,
with this hope to drive me onward,
if I can just believe in me.

Believe you can choose that road –
success feels great!

*"In the beginning you fail
what you aim at, so aim high"*
