DRESS BRIGHT and BE SEEN

When I'm walking by the road,
I'm gonna crack the Highway Code:

Traffic coming will see me,
My coat's as bright as it can be;

Fluorescent may be hard to spell,
But it sure has kept me safe and well;

Stickers on bags reflect the light,
A shining example when it's night;

Don't just wear what's dark outside,
Drivers aren't all eagle eyed;

So if you want to do what's right,
Show the world that you are bright.

What can you do to keep yourself safe?
